---

**ZIMBABWE**

---

**Legislative Background**

1. On 18 February 2002 the Council of the European Union adopted Council Regulation (EC) No 310/2002 which, inter alia, had the effect of freezing the funds, financial assets and economic resources of various individual members of the Government of Zimbabwe and certain individuals associated with them.
2. On 19 February 2004 the Council of the European Union adopted Council Regulation (EC) No 314/2004 which amended and extended the financial sanctions imposed by Regulation (EC) No 310/2002 and replaced that Regulation upon its expiry. Commission Regulation (EC) No 898/2005 and Commission Regulation (EC) No 1272/2005 subsequently amended the list of targeted persons subject to the financial sanctions regime under Council Regulation (EC) No 314/2004.

**Amending Legislation**

3. On 2 March 2007 the Commission of the European Communities adopted Commission Regulation (EC) No 236/2007 which again amended the list of targeted persons in Annex III of Council Regulation (EC) No 314/2004. Commission Regulation (EC) No 236/2007 was published in the Official Journal of the European Union on 6 March 2007 (O.J. L66, p.14).
4. For ease of reference details of the amendments to the list of targets are listed in the Annex to this Notice.
5. A copy of Commission Regulation (EC) No 236/2007 can be found on the Bank of England's website:

**Targeted accounts**

6. All funds and economic resources belonging to the persons listed in Annex III to Regulation (EC) No 314/2004, as amended, held by banks, building societies, stockbrokers, solicitors, accountants, etc must be frozen. No funds or economic resources are to be made available directly or indirectly to or for the benefit of the listed persons. The only exemptions are those permitted under Regulation (EC) No 314/2004.

## **Interest and other payments**

7. Interest or other earnings on frozen accounts, or payments due under contracts, agreements or obligations that were concluded or arose prior to the date on which those accounts became subject to Regulation (EC) No 310/2002 or Regulation (EC) No 314/2004 may be added to frozen accounts provided that any such interest, other earnings or payments continue to be frozen.
8. The prohibition against making funds or economic resources available shall not prevent the crediting of frozen accounts by financial institutions that received funds transferred by third parties to the account of the listed person or entity, provided that any addition to such accounts is also frozen. Financial institutions are required to inform the Bank of England of any such transactions.

## **Provision of information**

9. All financial institutions and other bodies and persons in the UK are required to inform the Bank of England of all funds that they have frozen in accordance with Regulation (EC) No 314/2004, as amended. They must also provide the Bank of England with all relevant information necessary for ensuring compliance with Regulation (EC) No 314/2004.
