**Financial Stability Review**

December 2004

---

## The **Financial Stability Review** aims:

- to encourage informed debate on financial stability issues, domestically and internationally
- to survey potential risks to financial stability
- to analyse ways of promoting and maintaining a stable financial system

### Essential information

The *Financial Stability Review* is available as a complete document in pdf format, together with additional information about the *Review*, on the Bank of England's website: [www.bankofengland.co.uk](http://www.bankofengland.co.uk). The *Financial stability themes and issues* section is at: [www.bankofengland.co.uk/fsr/themesandissues.htm](http://www.bankofengland.co.uk/fsr/themesandissues.htm) and the *Financial stability conjuncture and outlook overview* is at: [www.bankofengland.co.uk/fsr/overview0412.pdf](http://www.bankofengland.co.uk/fsr/overview0412.pdf).

The Bank also now occasionally publishes papers on financial stability themes on its website; they can be found at: [www.bankofengland.co.uk/fsr/financialstabilitypapers.htm](http://www.bankofengland.co.uk/fsr/financialstabilitypapers.htm). The papers may subsequently be included in whole or in part in the next *Financial Stability Review*.

To add your name to the *Financial Stability Review* mailing list, please use the form provided on the final page, or use the online forms available at: [www.bankofengland.co.uk/fsr/index.htm](http://www.bankofengland.co.uk/fsr/index.htm). There is an 'FSR alert service' to inform readers by email shortly before a new issue of the *Review* is going on to the website.

We welcome comments on the *Financial Stability Review*, which can be sent to the postal or email address below.

# Other Bank of England publications

The Bank of England publishes information on all aspects of its work in many formats. Listed below are some of the main Bank of England publications. For a full list, please refer to our website [www.bankofengland.co.uk/publications](http://www.bankofengland.co.uk/publications)

## Working papers

Working papers are free of charge; a complete list of working papers is maintained on the Bank of England's website at [www.bankofengland.co.uk/wp/index.html](http://www.bankofengland.co.uk/wp/index.html), where abstracts of all papers may be found. Papers published since January 1997 are available in full, in PDF.

## External MPC Unit discussion papers

The MPC Unit discussion paper series reports on research carried out by, or under supervision of, the external members of the Monetary Policy Committee. Papers are available from the Bank's website at [www.bankofengland.co.uk/mpc/extmpcpaper0000n.pdf](http://www.bankofengland.co.uk/mpc/extmpcpaper0000n.pdf) (where n refers to the paper number).

## Monetary and Financial Statistics

*Monetary and Financial Statistics (Bankstats)* contains detailed information on money and lending, monetary and financial institutions' balance sheets, banks' income and expenditure, analyses of bank deposits and lending, external business of banks, public sector debt, money markets, issues of securities, financial derivatives, interest and exchange rates, explanatory notes to tables and occasional related articles.

*Bankstats* will continue to be published monthly on the Internet but paper copies will be available on a twice-yearly basis. Paper copies will be published for the January and July editions published on hard copy on Wednesday 2 February 2005 and Monday 1 August 2005 respectively, the price per annum in the UK will be £40, or £20 per copy. It is available on a monthly basis free of charge from the Bank website at: [www.bankofengland.co.uk/mfsd/current/ms/index.htm](http://www.bankofengland.co.uk/mfsd/current/ms/index.htm)

All these data and more are available on the Bank's Statistical Interactive Database at [www.bankofengland.co.uk/mfsd/iadb](http://www.bankofengland.co.uk/mfsd/iadb). The Statistical

Interactive Database provides the latest and long runs of statistical data. The site has comprehensive search options and the ability to download the data in a variety of formats, and covers the series found in this publication and some additional data eg daily exchange rates.

## Practical issues arising from the euro

This is a series of booklets providing a London perspective on the development of euro-denominated financial markets and the supporting financial infrastructure, and describing the planning and preparation for possible future UK entry. Copies are available from Public Enquiries Group, Bank of England, Threadneedle Street, London, EC2R 8AH and at the Bank's website at: [www.bankofengland.co.uk/euro/piq.htm](http://www.bankofengland.co.uk/euro/piq.htm)

## Economic models at the Bank of England

The *Economic models at the Bank of England* book, published in April 1999, contains details of the economic modelling tools that help the Monetary Policy Committee in its work. The price of the book is £10. An update was published in September 2000 and is available free of charge.

## Quarterly Bulletin

The *Quarterly Bulletin* provides regular commentary on market developments and UK monetary policy operations. It also contains research and analysis and reports on a wide range of topical economic and financial issues, both domestic and international.

Back issues of the *Quarterly Bulletin* from 1981 are available for sale. Summary pages of the *Bulletin* from February 1994, giving a brief description of each of the articles, are available on the Bank's website at [www.bankofengland.co.uk/bulletin/index.html](http://www.bankofengland.co.uk/bulletin/index.html)

## Inflation Report

The Bank's quarterly *Inflation Report* sets out the detailed economic analysis and inflation projections on which the Bank's Monetary Policy Committee bases its interest rate decisions, and presents an assessment of the prospects for UK inflation over the following two years.

The *Report* starts with an overview of economic developments; this is followed by six sections:

- analysis of money and asset prices;

- analysis of demand;
- analysis of output and supply;
- analysis of costs and prices;
- summary of monetary policy during the quarter; and
- assessment of the medium-term inflation prospects and risks.

The minutes of the meetings of the Bank's Monetary Policy Committee (previously published as part of the *Inflation Report*) now appear as a separate publication on the same day as the *Report*.

### Publication dates
