(a) Details on the revisions to previous versions of this table are available separately.

(b) Data shown in £ millions are available on the Bank's Statistical Interactive Database - See Notes to Editors 3.

(c) This series has not been seasonally adjusted as, after examination, it was found not to be significantly seasonal. This series will, however, be reviewed for seasonality along with all other series on a regular basis.

(d) Owing to the method of the seasonal adjustment, M4 may not equal the sum of its components or counterparts. Residuals can be found on the Bank's Statistical Interactive Database.
