## Notes to Editors

- 1 Notes and coin in circulation represents all holdings outside the Bank of England (including those in banks' and building societies' tills). Further information on notes and coin, reserve balances and calculations of growth rates can be found in Bank of England *Monetary and Financial Statistics*, or via the following links:

- 2 An adjusted version of notes and coin is also available on the Bank's Statistical Interactive Database, see note 3. This series excludes Bank estimates of the effects of specific non-seasonal events on the level of notes and coin in circulation. To date, the series has been adjusted for the effects of: the £1 note write-off in 1998; the funding of the winter fuel payments; the turn of the millennium; the fuel dispute of 2000; and the threatened strike action affecting note distributors in 2003.
