Executive experience

Chief Executive Officer, Barclays Plc - 2012 - 2015

Assumed the bank's leadership during the reputational disaster of the LIBOR crisis in 2012. The bank had lost the trust of society, regulators, politicians and the media. Shareholders were unhappy and colleagues were disaffected. Widely credited for defining and executing the strategies that drove the bank's turnaround:

Led cultural transformation in the sector and dramatically improved the bank's ethical business standards and reputation. Created a core set of values: Respect, Integrity, Service Excellence, Stewardship.

The Barclays Global Reputation Tracker showed an improvement of 12pp to 65% in favorability and a reduction of 8pp in unfavourability between the spring of 2013 and spring of 2015.

Restructured the investment bank and exiting controversial lines of business such as Structured Capital Markets.

Improved the capital position of the bank from 7.7% to over 11% and leverage from 2.1% to over 4% at the mid-year 2015.

Reduced costs from £18.5bn in 2012 to £16.9bn in 2014.

Increased statutory profit before tax by 25% to £3,114m in H1 2015.

Chief Executive Officer, Retail and Business Banking - 2009 - 2012

Responsible for all retail banking, cards and SME banking in UK, US, Europe and Africa, accounting for over 60% of Group profits in 2011, 51m customers and 70000 colleagues in over 20 countries.

Chief Executive Officer, Barclaycard - 2006 - 2009

Turned around significant profit declines (from approximately £850m PBT in 2004 to £382M in 2006). This was successfully achieved with PBT in 2009 of £761m.

Citigroup 1989-2005.
