

## **MICHAEL SAUNDERS**

Michael Saunders joined the Monetary Policy Committee of the Bank of England in August 2016.

*1990-2016:* UK economist and (from 1998) Head of European Economics at Citigroup. Since 2008, also manager of the Citigroup Economics teams in Japan and Australia. Originally joined Salomon Brothers in 1990, which became part of Citi by merger. Joined as Vice President, was promoted to Director and, from 1996, Managing Director. Has also been an occasional expert witness on the UK economy for Parliament's Treasury Select Committee.

*1988-1990:* Economist at Greenwell Montagu (now part of HSBC). Worked as part of a team covering the UK economy.

*1986-1988:* Research analyst at the Institute for Fiscal Studies, working on the taxation of savings and assets, corporate taxes and oil taxes.

Michael studied Econometrics at London School of Economics, graduating in 1986.
