Treas Bills climbing up - & it is evident that something must be done, or CofR will stand to be rushed into Premium Bonds or some thing else without due consideration. Wtm too large than last year going into question at B.E. I am sure we physically cant issue this year, & hardly next. Therefore

Are Warburg ab<sup>o</sup> in USA playing  
a deep & subtle game, so that by  
weakening US thro' gold exports,  
losses to allies cannot be continued  
∴ allies can't fight - - - ?

14 TUESDAY [226-139]

As regards gold ships from USA  
the indecision & total lack of  
unity of Treasury, India Office, &  
P.O. with Sir AB - makes it  
quite impossible for Curson to take  
an intelligent line or know how  
to act - Seems Treasury are anxious  
to get whole thing into their hands but

G. gives no help to C. of R.  
Except on his own lines  
E.g. collection of Mken Gold,  
of wh. he disapproved, he now  
ignores. The DG was giving

he now says may go to nothing

22 WEDNESDAY [234-131]

Even now the everlasting quarrel  
between the G & ACC crops up  
& prevents J. Com getting on  
with decisions - Eg on Excess  
Profits plan - for whr we are to  
be checked till latter return

Issue of 90<sup>d</sup>. Treas. Bills \$ begins in  
 N.Y. by JPM & Co. - to replace outstanding  
 call loans which are secured on collateral  
 See last Dec when perfect uproar here  
 apts same idea as put forward by HPD

24 FRIDAY [236-129]  
 St. Bartholomew, Ap.

I plan to go to Chantry Cottage next  
 week from S.C. - nominally  
 because Aunt E is ill (much less  
 well than she was. M.E.C. writes)  
 actually because of serious trouble  
 between M.E.C. & Mr. Walker v. Helen Wilson  
 & G'dam - It seems everlasting there

29 WEDNESDAY [241-124]

Rate for Council drafts raised to 1/5 -  
 leaving Govt price for Gold in India  
 @ 15 Rs. whereby a profit in mere  
 Exchange of over 2% on shipping  
 Gold from U.S.A. - much angst  
 + derision on the G's part.

He makes no secret <sup>of it</sup> & to favoured <sup>few</sup> who  
 may be dangerous.

But India promised self government!

Holden to see G. for 2<sup>nd</sup> time  
quite lately

31 FRIDAY [243-122]

G to Meeting at Treasury re India's rates  
& financing scheme for loan.

To my eyes it seems impossible that  
USA can support allied loan issues &  
be free gold market of the world as now.
