JAN. 1 to 4.

* The dates given throughout are those at which 30, 60, and 90 days' bills mature with grace from the date at top of page.

As a large number of these Diaries circulate abroad it may be well to point out that the Astronomical Data, such as phases of the moon, etc., are given in Greenwich time. The times of the Sun's Risings and Settings are only applicable for the same *North* Latitude as Greenwich (London). For other places in *England* the difference in Longitude should be applied.

H. Hambro - after failing to get appt with G - came with 3 Daves to see me. Saw him alone - on subject of short a long Danish issue in mch - but refused to hear the Daves or see them. ^{here} Confirmed (as G. told EAH) our opposition to issue by any Neutral, long or short: said such issue w^d justify or require vice in B.R.: said we sh^d. so advise Treasury, with object of preventing it, until favoured by R.O. (as H.C.H. said was done). He said issue w^d probably be made by Barclays - said the Daves sh^d. go to N.Y. [His position generally unpleasant]
