**8th BdF-BoE-BdI International Macroeconomics Workshop:
THE US DOLLAR AS A GLOBAL CURRENCY:
CHALLENGES AND PERSPECTIVES**

8 November 2022, Rome

Banca d'Italia, the Bank of England and Banque de France are jointly organizing the 8th edition of the International Macroeconomics Workshop on 8 November 2022. This year's edition focuses on the role of the dollar in international finance and trade. The conference will have a keynote address by Prof. Jesse Schreger (Columbia Business School). The workshop will take place in Rome at the Banca d'Italia, and will be held in-person (unless the evolution of the pandemic or other exceptional circumstances will not allow so).

We invite theoretical and empirical research covering the following topics:

- Dollar safety and convenience yields
- Deglobalisation and the future of dollar dominance
- Dollar funding and the global financial cycle
- Dollar invoicing and global trade
- Dollar shortages and central bank swap lines
- The emergence of non-dollar reserve currencies
- Digital alternatives to the dollar

The **deadline for submitting a paper is 1st of September 2022** to the following email address: intworkshop2022@gmail.com. Authors of selected papers will be contacted by September 15.

Organizers:

Antoine Berthou (BdF)

Ambrogio Cesa-Bianchi (BoE)

Aydan Dogan (BoE)

Fabrizio Venditti (BdI)
