CEPR International Macroeconomics and Finance (IMF) Programme Meeting

26-27 October 2023

Bank of England, London

Submission Deadline: 6pm (GMT) Friday, 1 September 2023

The seventh CEPR Annual Meeting of the International Macroeconomics Programme (IMF) will take place 26-27 October 2023 and will be hosted by the Bank of England. We plan to hold the workshop in-person.

We invite submissions on the following topics:

- International macroeconomics and stabilisation policy
- New developments in the international monetary system
- Global drivers of inflation and policy trade-offs
- Exchange rates, policy regimes, and currency unions
- Trade, protectionism, and macroeconomic dynamics
- Currency and international financial markets
- Capital flows, risk taking, and financial fragility
- Effects of capital flow management tools
- Climate change and international finance linkages

Keynotes:

[Linda Goldberg](#) (Federal Reserve Bank of New York and CEPR), [Pierre-Olivier Gourinchas](#) (IMF, UC Berkley and CEPR) and [Jaume Ventura](#) (CREI, Universitat Pompeu Fabra, Barcelona School of Economics and CEPR)

Organising Committee:

[Ambrogio Cesa-Bianchi](#) (Bank of England, CfM and CEPR)
[Ida Hjortsoe](#) (Bank of England and CEPR)
[Silvana Tenreyro](#) (LSE, Bank of England, CfM and CEPR)

Funding:

The sponsoring institutions can cover accommodation and travel according to the [CEPR guidelines](#) for presenters and discussants.

However, there is limited travel and accommodation funding available, and we would like to facilitate the participation of young researchers. We thus encourage more senior participants to use their own grants to cover costs. Please indicate in your reply whether you will be able to cover your own costs, or whether you will require funding to attend.
