57	35	14	8

Outcome of resolvable requests			
Resolvable	Granted in full	Granted in part ³	Refused in full or part ⁴
35	14	11	10

Total Internal Review requests received
3

¹ Please note, the total FoI requests received and responded to during the reporting period may differ. This could be due to receiving a FoI request during the reporting period which is subsequently responded to in the following quarter or where a request responded to was received in a previous reporting period

² Includes transferred requests and where we have sought clarification

³ Includes where part information provided and (1) part not held (2) part not provided (eg exemptions/exclusions applied, over the cost threshold)

⁴ Includes where exemptions or exclusions applied in full, vexatious, repeated requests, over the cost threshold, part not held but remainder exempted or excluded
