Participants should note that this list is a provisional guide to the timing of rollover windows for the replacement of maturing Treasury Bills. It is designed to be read in conjunction with the [Replacement of Treasury Bills provided in FLS transactions – Quick Reference Guide](#) and the [FLS Documentation](#). The DMO is solely responsible for the issue of Treasury Bills and for determining their maturity dates.

The Bank reserves the right to change rollover window open and close dates at any time.

Participants should be aware that this document is intended only as a quick reference guide and should be read together with the [FLS Documentation](#). In the event of any conflict between the [FLS Documentation](#) and this document, the [FLS Documentation](#) shall prevail.
