Dear Sirs,

**BANK OF ENGLAND FUNDING FOR LENDING SCHEME**

[name of participating institution] (**the “Participant”**)

As [in-house]/[external] Legal Counsel for the Participant in [country], we refer to the participation of the Participant in the Bank’s Funding for Lending Scheme on the terms and subject to the conditions set out in the document headed “Terms and Conditions for the Funding for Lending Scheme” and the related Scheme Letter and the documents referred to therein. Any capitalised term used in this letter and not otherwise defined herein shall bear the same meaning as set out in the glossary to the Terms and Conditions.

1. We have examined:
  - (a) the Terms and Conditions;
  - (b) the Operating Procedures;
  - (c) the Scheme Letter (signed by the Participant, and dated [ ]); and
  - (d) the constitutional documents of the Participant, and such other corporate records, certificates and other documents as we have considered necessary or desirable for the purposes of this letter,

the documents referred to in (a) to (c) above, together the “**Scheme Documentation**”.

2. Having considered the documents listed in paragraph 1 above and having regard to all applicable laws of [country], we are pleased to advise that in our opinion:
  - (a) the Participant was incorporated or otherwise duly organised in [country] [as e.g. a limited company] and is a separate legal entity, is subject to suit in its own name, is an entity separate from, and is not a department of, [country] or the Government of [country] and no steps have been, or are being, taken in relation to any receivership, administration, liquidation, winding up or

- analogous proceedings under the laws of [country] in relation to the Participant or a material part of its undertaking;
- (b) the Participant has the necessary power and authority, and all necessary corporate and other action has been taken, to enable the Participant to sign and deliver the Scheme Letter and perform the obligations undertaken by it under the Scheme Documentation;
  - (c) the execution by the Participant of the Scheme Letter and performance by the Participant of its obligations under the Scheme Documentation will not cause:
    - (i) any limit on the Participant or its directors (whether imposed by the documents constituting the Participant, statute or regulation, or, to the best of our knowledge, agreement or otherwise) to be exceeded;
    - (ii) any applicable law, rule, regulation or order to which the Participant is subject to be contravened,
    - (iii) any default under, or give rise to an obligation to create any form of security interest or similar right pursuant to, any agreement or other instrument or any judgment or other requirement known to us to which the Participant is a party or by which it or any of its assets is bound;
  - (d) the Scheme Letter has been properly signed and delivered on behalf of the Participant and the obligations on the part of the Participant under the Scheme Documentation, assuming them to be valid and binding according to English law by which they are expressed to be governed, are valid and legally binding on the Participant under the laws of [country] and in the courts of [country];
  - (e) the signature, delivery and performance of the Scheme Documentation by the Participant constitute private and commercial acts rather than public or governmental acts;
  - (f) it is not necessary or advisable under the laws of [country] in order to ensure the validity, enforceability, priority or admissibility in evidence of the obligations of the Participant or the rights of the Bank under the Scheme Documentation, that the Scheme Documentation be filed, registered, recorded or notarised in any public office or elsewhere or that any other instrument relating thereto be signed, delivered, filed, registered or recorded, that any tax or duty be paid or that any other action whatsoever be taken;
  - (g) all consents, authorisations, licences or approvals of, or registrations with, or declarations to, governmental or public bodies, authorities or courts of or in [country] in connection with the validity, enforceability, priority or admissibility in evidence of the obligations of the Participant or the rights of the Bank under the Scheme Documentation have been unconditionally obtained or made or are in full force and effect.

Notwithstanding that this opinion is addressed to the Bank, the Bank may disclose (but none of the following shall be entitled to rely upon) this opinion to HM Treasury and to any relevant national central bank, monetary authority or regulatory or

supervisory authority having responsibility for the supervision or oversight of the Participant (or in whose jurisdiction the Participant is carrying on business) or of any payment or securities settlement system or clearing house in which the Participant is a participant.

Yours faithfully
