## **TERMS AND CONDITIONS FOR THE FUNDING FOR LENDING SCHEME**

### **1. THE SCHEME**

1.1 These Terms and Conditions together with the Operating Procedures and any Market Notices set out the terms and conditions for participation in the Bank's Funding for Lending Scheme and govern any FLS Transaction.

1.2 Institutions which are admitted to the Bank's Discount Window Facility under the SMF are eligible to participate in the Scheme. The Bank may waive, add to or vary any or all of the eligibility requirements in relation to any institution or institutions.

1.3 These Terms and Conditions and the Operating Procedures (including any amendments made from time to time in accordance with clause 20) and any Market Notices will be published on the Bank's website at [www.bankofengland.co.uk](http://www.bankofengland.co.uk).

1.4 The Scheme is available, and the Bank and the Participant may enter into FLS Transactions, between the Effective Date and the Final FLS Transaction Date.

### **2. INTERPRETATION**

2.1 Terms defined in Schedule 1 have the same meaning in these Terms and Conditions.

### **3. CONDITIONS PRECEDENT**

3.1 As conditions precedent to the Bank making the Scheme available to the Participant the Participant must deliver to the Bank, on request, in form and substance satisfactory to the Bank:

- (a) one or more certificates setting out the names and specimen signatures of those persons authorised to execute the Scheme Letter on behalf of the Participant and to give all notices and other instructions and communications (including changes in such persons and the specimen signatures of any person replacing the same) under these Terms and Conditions;
- (b) one or more legal opinions in form and substance satisfactory to the Bank, among other things, confirming under the laws of the jurisdiction or jurisdictions in which it is incorporated and has its head or main office:
  - (i) the Participant's power and authority to enter into and to execute the Documentation and the performance of its obligations thereunder; and
  - (ii) that the terms and conditions set out in the Documentation constitute valid and legally binding obligations of the Participant enforceable in accordance with their terms;
- (c) a guarantee in a form and from an entity acceptable to the Bank (the *Guarantor*) of the obligations of the Participant under the Scheme (the

**Guarantee**), together with documents of the type referred to in paragraphs (a) and (b) above in relation to the Guarantor and the Guarantee; and

- (d) any other document or agreement or notice required by the Bank for the purposes of the completion of the transactions contemplated by these Terms and Conditions.

3.2 The Bank's obligation to make any payment, transfer any securities or deliver any Equivalent Loan Collateral in connection with any FLS Transaction or otherwise under the Documentation shall be subject to the conditions precedent that no Event of Default or Potential Event of Default shall have occurred and be continuing with respect to the Participant and no obligation owed by the Participant to the Bank under these Terms and Conditions is outstanding.

3.3 Without prejudice to clause 3.2, if any of the conditions precedent in clause 3.2 are not satisfied with respect to the Participant when an obligation of the Bank would (but for those conditions precedent not being satisfied) become due and payable or deliverable to the Participant then the Bank's obligation will not be extinguished but will from such time be suspended, so that it will again become due or payable or deliverable if:

- (a) the conditions precedent in clause 3.2 are subsequently satisfied with respect to the Participant;
- (b) the Participant shall have delivered notice in writing of that fact to the Bank setting out in reasonable detail such evidence of the satisfaction of those conditions precedent as the Bank may require;
- (c) no Default Notice has been served; and
- (d) no breach of any other applicable condition precedent has occurred and is continuing.

3.4 In such event, the Bank's obligation shall become due and payable or deliverable on the date falling five Business Days after the date on which the confirmation from the Participant in clause 3.3(b) is effective in accordance with clause 24.

#### **4. FLS TRANSACTIONS**

4.1 An **FLS Transaction** is a transaction between the Bank and the Participant in which, on the terms and subject to the conditions of these Terms and Conditions and the other Documentation:

- (a) on the FLS Transaction Date the Bank will transfer to the Participant FLS Securities; and
- (b) on the Termination Date the Participant will transfer to the Bank securities equivalent to such FLS Securities.

4.2 Without prejudice to clause 4.1(a), if the transfer by the Bank on the FLS Transaction Date would, either alone or when taken with FLS Transactions outstanding, cause the Adjusted Value of Eligible Collateral received by the Bank to fall below the FLS Exposure, the Bank may:

- (a) decline to enter into the FLS Transaction;
- (b) enter into the FLS Transaction and require the Participant to deliver additional Eligible Collateral to the Bank with an Adjusted Value at least equal to that shortfall; or
- (c) transfer such amount of FLS Securities as does not result in a shortfall.

4.3 Each FLS Transaction shall have the following terms:

- (a) the FLS Transaction Date is the date specified in accordance with clause 6.2;
- (b) the Termination Date is the earlier of:
  - (i) the day of the fourth anniversary of the FLS Transaction Date (or if such day is not a Business Day, the immediately preceding Business Day); and
  - (ii) the Termination Date specified in a notice provided pursuant to clause 6.7 or clause 6.8;
- (c) the securities to be transferred by the Bank are FLS Securities determined by the Bank.

## 5. FLS FEE

5.1 In respect of each FLS Transaction, the Participant shall pay to the Bank sums calculated in accordance with the Operating Procedures or as otherwise specified by the Bank (the *FLS Fee*).

5.2 In respect of each FLS Transaction, the FLS Fee shall accrue daily in respect of the period commencing on, and inclusive of, the FLS Transaction Date and terminating on, but exclusive of, the Termination Date or, if later, the Business Day on which Equivalent Securities are transferred to the Bank.

5.3 If Equivalent Securities are not transferred to the Bank on the Termination Date, without prejudice to the right of the Bank to serve a Default Notice and in addition to the FLS Fee, the Participant shall pay to the Bank an additional amount equal to the late transfer charge determined pursuant to clause 15.2. The Participant shall also be liable to the Bank for any associated costs, which shall without limitation include any costs to the Bank of replacing such Equivalent Securities or any amount which the Bank is required to pay to a third party in accordance with the provisions of a lending agreement between the Bank and that third party.

5.4 FLS Fees, and any additional amounts in the form of associated costs due pursuant to clause 5.3, shall be payable by the Participant to the Bank in arrears on the

first Business Day of each calendar quarter (each such date being an *FLS Fee Payment Date*) in respect of all FLS Fees and additional amounts accrued but unpaid, including any such fees and additional amounts accrued in respect of any FLS Transaction which has terminated; provided however that if, on any such termination, there are no other FLS Transactions outstanding between the Bank and the Participant on the Termination Date, the FLS Fee Payment Date shall be that Termination Date in respect of all FLS Fees and additional amounts accrued but unpaid up to that date.

## **6. INITIATION AND TERMINATION OF FLS TRANSACTIONS**

6.1 The Participant may, on any Business Day during the Drawdown Period, request the Bank to enter into an FLS Transaction by sending an FLS Transaction Request to the Bank.

6.2 An FLS Transaction Request shall be in writing and shall specify:

- (a) the Business Day on which the FLS Transaction is to commence (which, provided that the FLS Transaction Request is delivered by the Cut-Off Time, may be the same day as the day on which the Bank receives the FLS Transaction Request), such date being the *FLS Transaction Date*;
- (b) the nominal value of FLS Securities to be transferred by the Bank; and
- (c) the Termination Date.

6.3 Following receipt of an FLS Transaction Request, the Bank will inform the Participant whether it will enter into the FLS Transaction on the terms specified in the FLS Transaction Request and will notify the Participant of the Value of the FLS Securities to be transferred by the Bank. Without limiting the generality of the foregoing, the Bank may decline to enter into an FLS Transaction if to do so would have the result that the Adjusted Value of Eligible Collateral received by the Bank (and in respect of which Equivalent Collateral has not been delivered to the Participant) is less than the FLS Exposure.

6.4 Notwithstanding clause 6.3, the Bank reserves the right to cancel an FLS Transaction at any time before the latest time specified in the Operating Procedures by which FLS Securities are to be transferred to the Participant on the FLS Transaction Date.

6.5 On the FLS Transaction Date for each FLS Transaction, the Bank shall transfer to the Participant FLS Securities with a Value equal to the Value notified to the Participant by the Bank; provided that no transfer shall be effective if following the transfer there would be a Collateral Shortfall.

6.6 On the Termination Date for each FLS Transaction, the Participant shall transfer Equivalent Securities to the Bank.

6.7 Without prejudice to clauses 11 and 12, if:

- (a) the Bank determines that the Participant has breached the representation and warranty in clause 16.1(a); or
- (b) the Bank determines that the Potential Event of Default specified in clause 11.1(t) has occurred; or
- (c) any other Potential Event of Default has occurred,

the Bank may by written notice to the Participant terminate any FLS Transaction in whole on the Termination Date specified in the notice.

6.8 The Participant may by written notice to the Bank terminate any FLS Transaction in whole or in part on the Termination Date specified in the notice, which shall be not less than two Business Days after the day such notice is effective or such shorter period as the Bank may agree.

## 7. MAINTENANCE OF COLLATERAL

7.1 The Participant undertakes to ensure that the Adjusted Value of Transferred Collateral will at all times equal or exceed the FLS Exposure.

7.2 If at any time the Adjusted Value of Transferred Collateral is less than the FLS Exposure (a *Collateral Shortfall*) by an amount which is equal to or greater than the Call Trigger Amount, the Bank may by notice to the Participant require the Participant to transfer to it Eligible Securities or Eligible Loans having an Adjusted Value at least equal to the Collateral Shortfall.

7.3 If at any time the Adjusted Value of Transferred Collateral exceeds the FLS Exposure (a *Collateral Excess*) by an amount which is equal to or greater than the Return Trigger Amount, the Participant may by notice to the Bank require the Bank to transfer to it Equivalent Collateral having an Adjusted Value at least equal to the Collateral Excess or such lower amount as may be specified in the Operating Procedures.

7.4 *FLS Exposure* is an amount equal to:

$$(VS + F + O)$$

where:

- VS = the aggregate Value of all FLS Securities that the Bank has transferred to the Participant in respect of which Equivalent Securities have not been transferred by the Participant
- F = the amount (estimated by the Bank) of all FLS Fees which are payable on the next FLS Fee Payment Date
- O = any other amounts payable by the Participant under clause 5 or which have accrued to the Bank under clause 15.

7.5 For the purpose of clause 7.4:

- (a) any amounts not denominated in sterling shall be converted into sterling at the Spot Rate as determined by the Bank as applying at the relevant time; and
- (b) if any Collateral in respect of which Equivalent Collateral has not been transferred ceases to be Eligible Collateral, the Value of that Collateral shall be zero.

7.6 This clause applies if, at any time before Equivalent Collateral Securities have been delivered:

- (a) any Collateral Securities are to be redeemed in whole or in part or a repayment or prepayment of principal is to be made in respect of those Collateral Securities; and
- (b) the Bank becomes entitled to a payment from the issuer of those Collateral Securities in respect of that redemption, repayment or prepayment.

Where this clause applies, for the purposes of determining the Adjusted Value of those securities, from the end of the tenth Business Day prior to the scheduled payment date (or, if later, the day on which the Bank became aware of the payment date), the Adjusted Value shall be zero.

7.7 Notice of any requirement to transfer Collateral Securities or Equivalent Collateral under this clause shall be given, and any such Collateral Securities or Equivalent Collateral shall be transferred, at the time and in the manner provided by, and generally in accordance with, the Operating Procedures.

7.8 Any transfer by the Bank under clause 7.3 above shall take place on the date and in the manner specified in the Operating Procedures.

7.9 This clause applies where:

- (a) the Bank has served notice under clause 7.2 requiring the Participant to transfer Collateral and the Participant has not transferred Collateral by the time required by the Operating Procedures; and
- (b) securities are standing to the credit of a securities account, or a sum is standing to the credit of any cash account, or in either case to the credit of any other account or record maintained by the Bank in the name of or otherwise sufficient to identify the Participant for the purposes of recording the Participant's right, title and interest in and to such securities, or, as the case may be, to such sum (an *Eligible Account*).

Where this clause applies, and without prejudice to clause 11, the Participant irrevocably authorises and instructs the Bank to transfer or pay from an Eligible Account or Eligible Accounts to the Bank:

- (i) such securities as the Bank may select with an Adjusted Value up to an amount equal to the amount of the shortfall; or

- (ii) cash up to an amount equal to the shortfall; or
- (iii) a combination of securities and cash,

in satisfaction of the relevant obligation of the Participant.

If the Participant subsequently seeks to deliver Collateral in satisfaction of its original obligation referred to in (a) above, the Bank may accept such delivery and if it does, the Bank shall in respect of any securities transferred or cash paid to the Bank under any of (i), (ii) or (iii) above respectively, transfer to the Participant equivalent securities and repay an equivalent amount.

## **8. LOAN COLLATERAL**

8.1 Each annex (each an *Annex* and, together, the *Annexes*) to any other Applicable Terms and Conditions which has been executed by the Participant and the Bank shall (unless otherwise agreed in writing between the Participant and the Bank) apply to FLS Transactions where the Participant has transferred, or intends to transfer, Loan Collateral to the Bank as set out in this clause 8.

### **Assignment and transfer of Loan Collateral for FLS**

8.2 The Bank may agree that Collateral shall comprise or include Eligible Loans that are to be provided to the Bank by way of assignment or, in the case of Eligible Loans that are Scottish Loans or where there is a restriction on assignment with respect to such Eligible Loans and the Bank has agreed to transfer by way of a declaration of trust, by assignation and transfer by way of declaration of trust. Such assignment, assignation or transfer may be effected in accordance with an Annex.

8.3 In the applicable Annex references to a “Loan Transaction” are deemed to be references to an FLS Transaction.

8.4 The on-going representations and warranties given by the Participant pursuant to the applicable Annex shall be made by the Participant on a continuing basis with respect to any transactions entered into pursuant to clause 8.2 with effect from the first Transfer Date to occur following the date of the Scheme Letter.

8.5 The representations and warranties given by the Participant pursuant to the applicable Annex that relate to each Eligible Loan and its Related Security shall be deemed to be made on the Transfer Date on which the Loan Portfolio which includes such Eligible Loan is assigned, or transferred by way of declaration of trust, to the Bank.

8.6 The Participant and the Bank agree that by their execution of the Scheme Letter the terms of any Scottish Declaration of Trust and any Scottish Transfer (whether entered into before or after the date of these Terms and Conditions) are hereby varied to be construed in accordance with the Annex and clause 8.3 and so that any references to the “Terms and Conditions for Participation in the Bank of England’s Operations under the Sterling Monetary Framework” in such Scottish Declaration of Trust and/or Scottish Transfer shall be deemed to also include

reference to these Terms and Conditions, references to “DWF Loans” shall be deemed to be references to “Loans” and references to “DWF Loan Guarantees” shall be deemed to be references to “Loan Guarantees”, in each case, as defined by these Terms and Conditions.

## **9. SUBSTITUTION**

9.1 The Bank may, at any time between the FLS Transaction Date and the Termination Date, require that an FLS Transaction be varied by the transfer by the Participant to the Bank of securities equivalent to the FLS Securities or such of the FLS Securities as the Bank shall specify in exchange for the transfer by the Bank to the Participant of other FLS Securities of such amount and description as the Bank shall determine (being FLS Securities with the same Value as the Equivalent Securities transferred by the Participant).

9.2 Without limiting clause 9.1, if the scheduled maturity date of any FLS Securities which have been transferred to the Participant under any FLS Transaction but in respect of which Equivalent Securities have not been transferred is prior to the Termination Date for that Transaction then the Transaction shall be varied in accordance with clause 9.1 on a date agreed by the Participant and the Bank (or in default of agreement, a date specified by the Bank) which is not more than twenty and not less than ten Business Days prior to the scheduled maturity date of the FLS Securities.

9.3 Subject to clause 9.4, any exchange effected under this clause 9 shall be effected in such manner as may be provided by the Operating Procedures.

9.4 In the case of an exchange effected under this clause 9, the Bank shall be under no obligation to perform its own transfer obligation until it is satisfied that it has received the securities due to be transferred to it by the Participant.

## **10. INCOME PAYMENTS**

10.1 Where Income is paid in respect of any Collateral Securities or Loan Collateral which have been transferred to the Bank in respect of which Equivalent Collateral has not been transferred, the Bank shall, normally on the date it receives such Income from the issuer or Borrower (or would have received such income if the Bank continued to hold the securities or loan in question), pay to the Participant an amount equal to and in the same currency as the net amount received (or which would have been received), after any withholding or deduction for or an account of taxes or duties.

## **11. EVENTS OF DEFAULT**

11.1 For the purposes of these Terms and Conditions, each of the following shall constitute an *Event of Default* if the Bank serves a Default Notice:

- (a) the Participant fails to maintain sufficient Eligible Collateral in accordance with clause 7.1 or to comply with clause 7.2 (by the time specified in the notice or in the Operating Procedures where a time is so specified);

- (b) in respect of any FLS Transaction, the Participant fails to make any transfer of securities or loans when required to do so or to make any payment when due;
- (c) any representation or warranty made or deemed to be made or repeated by the Participant under these Terms and Conditions or any FLS Transaction and any certification made to the Bank (whether made by the Participant or by another member of its Group) relating to lending by a member of the Participant's FLS Group was or is incorrect in any material respect when made or deemed to be made;
- (d) the Participant defaults in the due and punctual performance of any other of its obligations under these Terms and Conditions or under any FLS Transaction or, where applicable, the Guarantor defaults in the due and punctual performance of any other of its obligations under the Guarantee and, in either case, (if capable of remedy) fails to remedy such default within three Business Days after receipt of notice from the Bank requiring such default to be remedied;
- (e) the Participant or, where applicable, the Guarantor admits to the Bank its inability to, or its intention not to, perform any of its obligations under these Terms and Conditions or under any FLS Transaction or under the Guarantee or if the Guarantor revokes or otherwise terminates the Guarantee;
- (f) the Participant has any permission under Part 4A of FSMA varied or cancelled or authorisation as a credit institution (as defined in Regulation (EU) No 575/2013) or investment firm (as defined in Directive 2004/39/EC) or any licence or authorisation which is required to perform any of its obligations under these Terms and Conditions or any FLS Transaction suspended or revoked or is declared in default or suspended or expelled from membership of or participation in any payment system, securities exchange or association or other self-regulating organisation, or is suspended or prohibited from dealing in securities by any government or regulatory agency or authority, or any of its assets or the assets of investors held by it or to its order shall be transferred or ordered to be transferred to a trustee or any other person, or its powers of management are suspended, removed or otherwise divested, or any of its obligations under these Terms and Conditions are altered, suspended or extinguished in any way (other than pursuant to these Terms and Conditions) by any government or regulatory agency or authority;
- (g) the Participant ceases or threatens to cease to carry on its business or any part thereof (including if all or a part of its business is transferred to another entity) or compounds, or makes a general assignment for the benefit of, or enters into any reorganisation or other special arrangement with, its creditors or any class thereof or becomes insolvent or becomes unable to pay its debts within the meaning of section 123(1) of the Insolvency Act 1986 or fails or admits in writing its inability generally to pay its debts as they become due;
- (h) a secured party takes possession of, or carries out other enforcement measures in relation to, all or substantially all assets of the Participant, provided the

relevant process is not dismissed, discharged, stayed or restrained within 15 days;

- (i) the court makes a winding-up order in respect of the Participant under Chapter VI of Part IV or Part V of the Insolvency Act 1986;
- (j) a liquidator is appointed in respect of the Participant or over all or any material part of the Participant's property;
- (k) a petition or application is filed or presented or made or any other proceeding is commenced in respect of the Participant (other than by the Bank in respect of any obligation under these Terms and Conditions) in any court or before any agency or out of court or otherwise alleging or for the bankruptcy, winding-up or other insolvency of the Participant or seeking any reorganisation, arrangement, moratorium, composition, readjustment, administration, liquidation, dissolution or similar relief under any present or future statute, law or regulation, such petition, application or proceeding not having been stayed or dismissed within 15 days of its filing or commencement (other than a petition, application or proceeding for the winding up of the Participant or the appointment of an administrator, whether out of court or otherwise in relation to the Participant or any analogous proceeding in which case no such 15 day period shall apply);
- (l) notice is given of a proposal to appoint, or any step is taken with a view to appointing, or there is appointed a receiver, trustee, conservator, custodian or administrator (whether out of court or otherwise) or analogous officer in respect of the Participant or over all or any material part of the Participant's property;
- (m) there is convened any meeting of creditors of the Participant for the purpose of considering a voluntary arrangement as referred to in section 3 of the Insolvency Act 1986;
- (n) the court makes a winding-up order in respect of any Subsidiary or Parent of the Participant under Chapter VI of Part IV or Part V of the Insolvency Act 1986;
- (o) a liquidator, trustee or an administrator (whether out of court or otherwise) is appointed in respect of, where applicable, the Guarantor or Parent of the Participant, or over all or any material part of the property of, where applicable, the Guarantor or Parent of the Participant;
- (p) (otherwise than in the case of a members' voluntary winding up) a liquidator, trustee or an administrator (whether out of court or otherwise) is appointed in respect of any Subsidiary of the Participant, or over all or any material part of the property, of any Subsidiary of the Participant;
- (q) any event analogous to any of the foregoing occurs in any jurisdiction in relation, where applicable, to the Guarantor or to the Participant or any Subsidiary or Parent of the Participant;

- (t) the Participant ceases to meet the criteria for the time being specified by the Bank for access to the Scheme;
- (u) a Designated Event occurs with respect to the Participant or, where applicable, its Guarantor (in each case X), and the Bank determines in its sole and absolute discretion that the creditworthiness of X, or, if applicable, the successor, surviving or transferee entity, is materially weaker immediately after the occurrence of such Designated Event.

For the purpose of this clause (u), a *Designated Event* with respect to X means that:

- (i) X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets (or any substantial part of the assets comprising the business conducted by X as of the date of the Scheme Letter) to, or reorganises, reincorporates or reconstitutes into or as, another entity;

11.2 Without prejudice to clause 11.1(u), if the Participant is a building society within the meaning of the Building Societies Act 1986, none of:

- (a) an amalgamation of the Participant with another building society under section 93 of that Act;

- (c) a transfer of the whole of the business of the Participant to a successor under section 97 of that Act;

- (d) the dissolution of the Participant under section 93(5), 94(10) or 97(9) or (10) of that Act; or
- (e) anything done by the Participant for the purposes of any such amalgamation, transfer or dissolution,

shall entitle the Bank to serve a Default Notice on the Participant.

11.3 The Participant shall immediately notify the Bank if a Potential Event of Default occurs.

## **12. CLOSE-OUT AND LIQUIDATION OF OBLIGATIONS ON THE OCCURRENCE OF AN EVENT OF DEFAULT**

12.1 If an Event of Default occurs in relation to the Participant, the provisions of this clause 12 shall apply to all outstanding FLS Transactions (provided however that, save where to do so would be inconsistent with applicable law, the Bank may exclude any FLS Transaction from this clause).

12.2 At any time following an Event of Default, the Bank may by notice in writing to the Participant specify one or more Early Termination Dates for any outstanding FLS Transactions. The Bank may specify the same or different Early Termination Dates for each FLS Transaction and may amend any Early Termination Date so specified at any time prior to that Early Termination Date.

12.3 Upon the Early Termination Date in respect of an FLS Transaction:

- (a) the Termination Date for that FLS Transaction shall be deemed to occur and the FLS Fee and any other amount outstanding in respect of that FLS Transaction shall be payable; and
- (b) the Agent may, by written notice to the Participant, identify FLS Securities and Collateral in respect of which the Agent wishes to accelerate its obligation to transfer Equivalent Securities and such Equivalent Collateral shall be transferable so that performance of the respective obligations of the Parties with respect to the transfer of FLS Securities or Equivalent Loan Collateral and the payment of any cash amount shall be effected only in accordance with the provisions of this clause 12.3.

12.4 The Bank shall establish either prior to or on the Early Termination Date, the Default Market Value of the Equivalent Securities and Equivalent Collateral to be transferred in respect of the relevant FLS Transactions.

12.5 On the basis of the sums established in accordance with clauses 12.3 and 12.4, an account shall be taken (as at the relevant Early Termination Date) of what is due from each Party to the other in respect of:

- (a) the relevant FLS Transactions including any amounts payable in respect of FLS Fees and Income or otherwise under clauses 12.11 and 15 (and on the basis that Participant's claim against the other in respect of the transfer to it of

securities and Equivalent Loan Collateral equals the Default Market Value thereof); and

- (b) the sums due from one Party shall be set off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing).

12.6 The balance determined by carrying out the calculations under clause 12.5 shall be due and payable on such date as the Bank shall determine and notify the Participant in writing. The Bank may specify an account into which sums are required to be paid.

12.7 For the purposes of the calculation carried out under clause 12.5, all sums not denominated in sterling shall be converted into sterling on the relevant date at the Spot Rate prevailing at such dates and times determined by the Bank.

12.8 If the balance under clause 12.5 is payable by the Bank, the Bank may, in lieu of paying such balance or part thereof, transfer to the Participant Equivalent Collateral having a Value at least equal to the amount  $V$  where  $V = B - C$  and where:

$B$  = the amount of such balance or the relevant part thereof

$C$  = the settlement or other transfer costs incurred by the Bank

and such transfer shall discharge the Bank's obligation to make the payment (or the relevant part thereof) under clause 12.5.

12.9 When establishing the Default Market Value under clause **Error! Reference source not found.** the Bank shall have regard to such of the factors set out in this clause, and such other factors, as it thinks appropriate (and the order in which the factors are listed is not significant; they are to be taken into account as appropriate in each case) and may have regard to different factors for different securities or loans:

- (a) if the Bank has sold Receivable Securities or Loans, the net proceeds of such sale after deducting all reasonable costs, commissions, fees and expenses incurred in connection with such sale;
- (b) if the Bank has purchased Deliverable Securities, the aggregate cost of such purchase, including all reasonable costs, commissions, fees and expenses incurred in connection with such purchase;
- (c) observable market prices or such pricing sources (including trading prices) as the Bank considers appropriate;
- (d) offer or bid quotations from market makers or dealers in the market which is the most appropriate market for Receivable Securities of that description, or offer or bid quotations received as part of an auction or sale process for Receivable Securities or Loans as determined by the Bank;

- (e) other methods (which may include, without limitation, the Bank's internal modelling methodologies, such as those used by the Bank to determine the Adjusted Value) as the Bank considers appropriate;
- (f) to the extent not included in the determination of the Default Market Value, Income which has accrued but not yet been paid;
- (g) FLS Transaction Costs.

12.10 For the purposes of clause 12.9:

- (a) ***Deliverable Securities*** means Equivalent Securities to be delivered by the Participant;
- (b) ***Receivable Securities*** means Equivalent Collateral Securities to be delivered to the Participant; and
- (c) ***FLS Transaction Costs*** in relation to any transaction contemplated in clause 12.9 means the costs, commissions, fees and expenses (including any mark-up or mark-down or premium paid for guaranteed delivery) that would be incurred or reasonably anticipated in connection with the purchase of Deliverable Securities or sale of Receivable Securities, calculated on the assumption that the aggregate thereof is the least that could reasonably be expected to be paid in order to carry out the transaction.

12.11 The Participant shall be liable to the Bank for the amount of all legal and other professional expenses incurred by the Bank in connection with or as a consequence of an Event of Default, (including without limitation, arranger's fees, broker's fees and any costs incurred in valuing or servicing any securities or loans) together with interest thereon at the Overdraft Rate or such other rate as the Bank may in its discretion decide.

To the extent that any Designated Agreement does not include provisions to the same effect as a Default Termination or this clause 13, the terms of each Designated Agreement are hereby modified so as to incorporate the provisions set out in this clause.

13.2 The Bank shall determine in accordance with the provisions of the relevant Designated Agreement the Net Default Amount payable by one Party to the other under each Designated Agreement.

13.3 This clause 13.3 applies if following a Default Termination reciprocal sums are owing between the Parties in respect of:

- (b) the Net Default Amount payable under any Designated Agreement; and
- (c) any other amount payable by one Party to the other under or in respect of these Terms and Conditions or any Designated Agreement.

So long as the default continues, interest and charges shall be calculated on a similar basis at the end of each such period and any amount payable under this clause 15 which is unpaid at the end of each such period shall thereafter itself bear interest at the Overdraft Rate or such other rate as the Bank may in its discretion decide.

18.2 Without prejudice to any other rights, powers or remedies (whether provided by contract, law or otherwise), the Bank may without prior notice to the Participant set off any monies due and payable (but not paid) from the Participant and any other obligation against any obligation owed by the Bank to the Participant (whether at such time or in the future or upon the occurrence of a contingency and whether or not arising under these Terms and Conditions), regardless of the place of payment, booking office or currency of either obligation. If the obligations are in different currencies, the Bank may convert either obligation at the Spot Rate for the purpose of the set-off.

18.3 For the purposes of clauses 18.1 and 18.2, where a liability or an obligation is unascertained, or is an obligation other than an obligation to pay money, the Bank may in good faith estimate the value of that liability or obligation and set off in respect of the estimate.

## **19. CONFIDENTIALITY**

19.1 Each Party (the *Recipient*) undertakes to keep confidential all information given to it by the other Party (the *Disclosing Party*) or otherwise in the possession of the Recipient relating to or otherwise concerning the Disclosing Party or the Scheme.

entitled to seek any legal or equitable relief, including injunction, in the event of any breach of the provisions of this clause 19.

The Bank may also vary the operational timetable or vary or omit any of the procedures described on any particular day. The Bank will endeavour to give reasonable notice of any amendment, but reserves the right to introduce any amendment with immediate effect, if the Bank considers it necessary to do so.
