Bank of England

Market Participants Group

18 November 2026, 5:00pm – 6:30pm

Bank of England, 20 Moorgate London, EC2R 6DA

Agenda

International developments

- Views on the outlook for the global economy and financial markets, and relevant risks.
- Views on how the UK economy might be most impacted by geopolitical and macroeconomic developments in other jurisdictions.

Domestic developments

- Reactions to the November MPC meeting, and implications for the UK economic and monetary policy outlook.
- Other key themes and areas of focus in UK interest rate markets and broader UK assets.
