

Bank of England

Market Participants Group

24 September 2026, 5:00pm – 6:30pm

Bank of England, Threadneedle Street, London EC2R 8AH

Agenda

International developments

- Views on the outlook for the global economy and financial markets, and relevant risks.
- Views on how the UK economy might be most impacted by geopolitical and macroeconomic developments in other jurisdictions.

Domestic developments

- Reactions to the September MPC meeting, and implications for the UK economic and monetary policy outlook.
- Sensitivity of the macroeconomic outlook to energy market developments, and assessments of relative inflation and growth risks to the UK.
- Other key themes and areas of focus in UK interest rate markets and broader UK assets.
