

**DOCUMENTATION FOR THE BANK OF ENGLAND'S OPERATIONS
UNDER THE STERLING MONETARY FRAMEWORK**

SUPPLEMENTARY TERMS FOR US DOLLAR REPO OPERATIONS

1. These terms as amended from time to time (*USD Repo Terms*) form a supplement to and are part of the Terms and Conditions for participation in the Bank of England's Operations under the Sterling Monetary Framework and relate to operations (the *USD Repo Operations*) under which the Bank is prepared to enter as buyer into collateralised lending transactions for which the advance is denominated in US dollars (*USD Advances*).
2. Words and phrases defined in the Terms and Conditions shall have the same meaning in these USD Repo Terms save that for the purposes of these USD Repo Terms:
 - (a) "Business Day" shall mean a day on which the Federal Reserve Bank of New York and the Bank are open for business;
 - (b) "Operating Procedures" shall include any supplementary procedures published by the Bank, whether by way of a market notice or otherwise, relating to USD Advances;
 - (c) "Participant" has the meaning given in paragraph 5; and
 - (d) "SMF Advance" shall include a USD Advance.
3. For the purposes of these USD Repo Terms, the final sentence of clause 10.6 of Part A of the Terms and Conditions shall be amended to read "Notwithstanding the use of the term "repo" in the context of an Indexed Long-Term Repo operation, the Contingent Term Repo Facility or USD Repo Operations, transactions under these Operations shall be SMF Advances and on the same terms as an SMF Advance."
4. A person who is admitted as a participant in Open Market Operations shall be eligible to participate in the USD Repo Operations. The Bank may, in its absolute discretion, either generally or in particular circumstances, waive, add to or vary the above eligibility criteria.
5. A person who in accordance with paragraph 4 is eligible to participate in the USD Repo Operations shall on first submitting (or purporting to submit) a bid to participate in the operations in accordance with the Operating Procedures be deemed to have agreed to the Documentation (as supplemented and amended by these USD Repo Terms and any supplementary procedures) and any related market notice which together set out the terms and conditions on which the Bank has agreed to make the USD Repo Operations available to any such person and who thereon becomes a "Participant". The Participant's Admission Letter shall also then be deemed to have been amended to reflect the admission of the Participant to the USD Repo Operations.

6. The Terms and Conditions shall apply to USD Advances subject to and as supplemented or amended by these USD Repo Terms. The Operating Procedures shall apply to USD Advances with such modifications as may in the reasonable opinion of the Bank be necessary or appropriate.

7. In the event of any conflict between these USD Repo Terms and any other Documentation, these USD Repo Terms shall prevail.
