## **TERMS AND CONDITIONS FOR THE TERM FUNDING SCHEME**

### **1. The Scheme**

- 1.1 These Terms and Conditions together with the Operating Procedures, any Market Notices and the other Documentation set out the terms and conditions for participation in the Bank's Term Funding Scheme and govern any TFS Advance.
- 1.2 The Bank enters into the Documentation on its own behalf.
- 1.3 An institution is eligible to participate in the Scheme if it is all of (a) an authorised person as defined in FSMA; (b) an eligible institution as defined in paragraph 1 of schedule 2 to the Bank of England Act 1998; and (c) admitted to the Bank's Discount Window Facility under the SMF. The Bank may waive, add to or vary any or all of the eligibility requirements in relation to any institution or institutions.
- 1.4 These Terms and Conditions and the Operating Procedures (including any amendments made from time to time in accordance with clause 19) and any Market Notices will be published on the Bank's website at [www.bankofengland.co.uk](http://www.bankofengland.co.uk).
- 1.5 The Scheme is available, and the Bank may make a TFS Advance during the Drawdown Period.

### **2. Interpretation**

- 2.1 Terms defined in Schedule 1 have the same meaning in these Terms and Conditions.

### **3. Conditions precedent**

- 3.1 As conditions precedent to the Bank making the Scheme available to the Participant, the Participant must deliver to the Bank, on request, in form and substance satisfactory to the Bank:
  - (a) one or more certificates setting out the names and specimen signatures of those persons authorised to execute the Scheme Letter on behalf of the Participant and to give all notices and other instructions and communications (including changes in such persons and the specimen signatures of any person replacing the same) under these Terms and Conditions;
  - (b) one or more legal opinions in form and substance satisfactory to the Bank, among other things, confirming under the laws of the jurisdiction or jurisdictions in which it is incorporated and has its head or main office:
    - (i) the Participant's power and authority to enter into and to execute the Documentation and the performance of its obligations thereunder; and

- (ii) that the terms and conditions set out in the Documentation constitute valid and legally binding obligations of the Participant enforceable in accordance with their terms;
  - (c) a guarantee in a form and from an entity acceptable to the Bank (the **Guarantor**) of the obligations of the Participant under the Scheme (the **Guarantee**), together with documents of the type referred to in paragraphs (a) and (b) above in relation to the Guarantor and the Guarantee; and
  - (d) any other document or agreement or notice required by the Bank for the purposes of the completion of the advances contemplated by these Terms and Conditions.
- 3.2 The Bank's obligation to make any payment or deliver any Equivalent Collateral in connection with any TFS Advance or otherwise under the Documentation shall be subject to the conditions precedent that no Event of Default or Potential Event of Default shall have occurred and be continuing with respect to the Participant and no obligation owed by the Participant to the Bank under these Terms and Conditions is outstanding.
- 3.3 Without prejudice to clause 3.2, if any of the conditions precedent in clause 3.2 is not satisfied with respect to the Participant when an obligation of the Bank would (but for those conditions precedent not being satisfied) become due and payable or deliverable to the Participant then the Bank's obligation will not be extinguished but will from such time be suspended, so that it will again become due or payable or deliverable if:
- (a) the conditions precedent in clause 3.2 are subsequently satisfied with respect to the Participant;
  - (b) the Participant shall have delivered notice in writing of that fact to the Bank setting out in reasonable detail such evidence of the satisfaction of those conditions precedent as the Bank may require;
  - (c) no Default Notice has been served; and
  - (d) no breach of any other applicable condition precedent has occurred and is continuing.
- 3.4 In such event, the Bank's obligation shall become due and payable or deliverable on the date falling five Business Days after the date on which the confirmation from the Participant in clause 3.3(b) is effective in accordance with clause 25.

#### **4. TFS Advance**

- 4.1 A TFS Advance is an advance made by the Bank on the terms and subject to the conditions of these Terms and Conditions and the other Documentation, by which:
- (a) on the TFS Drawdown Date the Bank will make a cash advance to the Participant; and

- (b) on the Repayment Date the Participant will repay the cash advance to the Bank.
- 4.2 Without prejudice to clause 4.1(a), if the making of the TFS Advance would, either alone or when taken with other TFS Advances, cause the Adjusted Value of Eligible Collateral received by the Bank to fall below the TFS Exposure, the Bank may:
  - (a) decline to make the TFS Advance;
  - (b) make the TFS Advance in full and require the Participant to deliver additional Eligible Collateral to the Bank with an Adjusted Value at least equal to that shortfall; or
  - (c) make the TFS Advance in such amount as does not result in a shortfall.
- 4.3 Each TFS Advance shall have the following terms:
  - (a) the TFS Drawdown Date is the date specified in accordance with clause 6.2;
  - (b) the Repayment Date is the earlier of:
    - (i) the day of the fourth anniversary of the TFS Drawdown Date (or if such day is not a Business Day, the immediately preceding Business Day); and
    - (ii) the Repayment Date specified in a notice provided pursuant to clause 6.7 or clause 6.8;
  - (c) the amount of any TFS Advance will be determined by the Bank.

## **5. Interest payments**

- 5.1 In respect of each TFS Advance, the Participant shall pay to the Bank (or, if the interest rate is negative, the Bank shall pay to the Participant) interest calculated in accordance with the Operating Procedures, Market Notice or as otherwise specified by the Bank (*TFS Interest*).
- 5.2 TFS Interest shall be payable by the Participant to the Bank (or by the Bank to the Participant) in arrears on the next TFS Interest Payment Date in respect of all TFS Interest accrued but unpaid.

## **6. Initiation and Repayment of TFS Advances**

- 6.1 The Participant may, on any Business Day during the Drawdown Period, request the Bank to make a TFS Advance by sending a TFS Drawdown Request to the Bank.
- 6.2 A TFS Drawdown Request shall be in writing and shall specify:
  - (a) the Business Day on which the TFS Advance is to be made (which, provided that the TFS Drawdown Request is delivered by the Cut-Off Time, may be the same day as the day on which the Bank receives the TFS Drawdown Request), such date being the *TFS Drawdown Date*;

- (b) the amount of the TFS Advance to be made by the Bank; and
  - (c) the Repayment Date.
- 6.3 Following receipt of a TFS Drawdown Request, the Bank will inform the Participant whether the Bank will make a TFS Advance on the terms specified in the TFS Drawdown Request and will notify the Participant of the amount of the advance. Without limiting the generality of the foregoing, the Bank reserves the right to reject a TFS Drawdown Request, including where making a TFS Advance would have the result that the Adjusted Value of Eligible Collateral received by the Bank (and in respect of which Equivalent Collateral has not been delivered to the Participant) is less than the TFS Exposure.
- 6.4 Notwithstanding clause 6.3, the Bank reserves the right to cancel a TFS Advance at any time before the latest time specified in the Operating Procedures by which a TFS Advance is to be made to the Participant.
- 6.5 On the TFS Drawdown Date for each TFS Advance, the Bank shall make an advance to the Participant in the amount notified to the Participant by the Bank; provided that no advance shall be effective if following the payment there would be a Collateral Shortfall.
- 6.6 On the Repayment Date the Participant shall repay each TFS Advance to the Bank.
- 6.7 Without prejudice to clauses 10 and 11, if:
- (a) the Bank determines that the Participant has breached the representation and warranty in clause 15.1(a); or
  - (b) the Bank determines that the Potential Event of Default specified in clause 10.1(t) has occurred; or
  - (c) any other Potential Event of Default has occurred,
- the Bank may by written notice to the Participant require the repayment of any TFS Advance in whole on the Repayment Date specified in the notice which may be the same day as the date of the notice.
- 6.8 The Participant may by written notice to the Bank request the repayment of any TFS Advance in whole or in part on the Repayment Date specified in the notice, which shall be not less than two Business Days after the day such notice is effective or such shorter period as the Bank may agree.
- 7. Maintenance of Collateral**
- 7.1 The Participant undertakes to ensure that the Adjusted Value of Available Collateral will at all times equal or exceed the TFS Exposure.
- 7.2 If at any time the Adjusted Value of Available Collateral is less than the TFS Exposure (a *Collateral Shortfall*) by an amount which is equal to or greater than the Call Trigger Amount, the Bank may by notice to the Participant require the Participant to transfer to the Bank Eligible Securities or Eligible Loans having an Adjusted Value at least equal to the Collateral Shortfall.

7.3 If at any time the Adjusted Value of Available Collateral exceeds the TFS Exposure (a *Collateral Excess*) by an amount which is equal to or greater than the Return Trigger Amount, the Participant may by notice to the Bank require the Bank to transfer to it Equivalent Collateral having an Adjusted Value at least equal to the Collateral Excess or such lower amount as may be specified in the Operating Procedures.

7.4 *TFS Exposure* is an amount equal to:

$$(A + I + O)$$

where:

A = the aggregate amount of all outstanding TFS Advances that the Bank has made to the Participant which have not been repaid by the Participant

I = the amount (estimated by the Bank) of TFS Interest which is payable on the next TFS Interest Payment Date (provided that, if the estimated TFS Interest is payable by the Bank to the Participant, it shall be considered to be zero for the purposes of this calculation)

O = any other amounts payable by the Participant or which have accrued to the Bank under clause 14.

7.5 For the purpose of clause 7.4:

(a) any amounts not denominated in sterling shall be converted into sterling at the Spot Rate as determined by the Bank as applying at the relevant time; and

(b) if any Collateral in respect of which Equivalent Collateral has not been transferred ceases to be Eligible Collateral, the Value of that Collateral shall be zero.

7.6 This clause applies if, at any time before Equivalent Collateral Securities have been delivered:

(a) any Collateral Securities are to be redeemed in whole or in part or a repayment or prepayment of principal is to be made in respect of those Collateral Securities; and

(b) the Bank becomes entitled to a payment from the issuer of those Collateral Securities in respect of that redemption, repayment or prepayment.

Where this clause applies, for the purposes of determining the Adjusted Value of those securities, from the end of the tenth Business Day prior to the scheduled payment date (or, if later, the day on which the Bank became aware of the payment date), the Adjusted Value shall be zero.

7.7 Notice of any requirement to transfer Collateral Securities or Equivalent Collateral under this clause shall be given, and any such Collateral Securities

or Equivalent Collateral shall be transferred, at the time and in the manner provided by, and generally in accordance with, the Operating Procedures.

7.8 Any transfer by the Bank under clause 7.3 above shall take place on the date and in the manner specified in the Operating Procedures.

7.9 This clause applies where:

- (a) the Bank has served notice under clause 7.2 requiring the Participant to transfer Collateral and the Participant has not transferred Collateral by the time required by the Operating Procedures; and
- (b) securities are standing to the credit of a securities account, or a sum is standing to the credit of any cash account, or in either case to the credit of any other account or record maintained by the Bank in the name of, or otherwise sufficient to identify, the Participant for the purposes of recording the Participant's right, title and interest in and to such securities, or, as the case may be, to such sum (an *Eligible Account*).

Where this clause applies, and without prejudice to clause 10, the Participant irrevocably authorises and instructs the Bank to transfer or pay from an Eligible Account or Eligible Accounts to the Bank:

- (i) such securities as the Bank may select with an Adjusted Value up to an amount equal to the amount of the shortfall; or
- (ii) cash up to an amount equal to the shortfall; or
- (iii) a combination of securities and cash,

in satisfaction of the relevant obligation of the Participant.

If the Participant subsequently seeks to deliver Collateral in satisfaction of its original obligation referred to in (a) above, the Bank may accept such delivery and if it does, the Bank shall in respect of any securities transferred or cash paid to the Bank under any of (i), (ii) or (iii) above respectively, transfer to the Participant equivalent securities and repay an equivalent amount.

## **8. Loan Collateral**

### **Assignment and transfer of Loan Collateral for TFS**

8.1 The Bank may agree that Collateral shall comprise or include Eligible Loans that are to be provided to the Bank by way of assignment or, in the case of Eligible Loans that are Scottish Loans or where there is a restriction on assignment with respect to such Eligible Loans and the Bank has agreed to transfer by way of a declaration of trust, by assignation and transfer by way of declaration of trust to the Bank. Such assignment, assignation or transfer may be effected in accordance with an Annex.

8.2 In the applicable Annex references to a "Loan Transaction" are deemed to be references to a TFS Advance.

- 8.3 The ongoing representations and warranties given by the Participant pursuant to the applicable Annex shall be made by the Participant on a continuing basis with respect to any transactions entered into pursuant to clause 8.1 with effect from the first Transfer Date to occur following the date of the Scheme Letter.
- 8.4 The representations and warranties given by the Participant pursuant to the applicable Annex that relate to each Eligible Loan and its Related Security shall be deemed to be made on the Transfer Date on which the Loan Portfolio which includes such Eligible Loan is assigned, or transferred by way of declaration of trust, to the Bank.

## **9. Income payments**

- 9.1 Where Income is paid in respect of any Collateral Securities or Loan Collateral which have been transferred to the Bank in respect of which Equivalent Collateral has not been transferred, the Bank shall, normally on the date it receives such Income from the issuer or Borrower (or would have received such income if the Bank continued to hold the securities or loan in question), pay to the Participant an amount equal to and in the same currency as the net amount received (or which would have been received), after any withholding or deduction for or an account of taxes or duties.

## **10. Events of Default**

- 10.1 For the purposes of these Terms and Conditions, each of the following shall constitute an *Event of Default* if the Bank serves a Default Notice:
- (a) the Participant fails to maintain sufficient Eligible Collateral in accordance with clause 7.1 or to comply with clause 7.2 (by the time specified in the notice or in the Operating Procedures where a time is so specified);

For the purpose of this clause (u), a *Designated Event* with respect to X means that:

- (i) X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets (or any substantial part of the assets comprising the business conducted by X as of the date of the Scheme Letter) to, or reorganises, reincorporates or reconstitutes into or as, another entity;

- (e) anything done by the Participant for the purposes of any such amalgamation, transfer or dissolution,

shall entitle the Bank to serve a Default Notice on the Participant.

10.3 The Participant shall immediately notify the Bank if a Potential Event of Default occurs.

## **11. Close-out and liquidation of obligations on the occurrence of an Event of Default**

11.1 If an Event of Default occurs in relation to the Participant, the provisions of this clause 11 shall apply to all outstanding TFS Advances (provided however that, save where to do so would be inconsistent with applicable law, the Bank may exclude any TFS Advance from this clause).

- 11.2 At any time following an Event of Default the Bank may by notice in writing to the Participant, specify one or more Early Repayment Dates for any outstanding TFS Advances. The Bank may specify the same or different Early Repayment Dates for each TFS Advance and may amend any Early Repayment Date so specified at any time prior to that Early Repayment Date.
- 11.3 Upon the Early Repayment Date in respect of a TFS Advance:
- (a) the Repayment Date for that TFS Advance shall be deemed to occur and TFS Interest and any other amount outstanding in respect of that TFS Advance shall be payable;
  - (b) the Bank may, by written notice to the Participant, identify Collateral in respect of which the Bank wishes to accelerate its obligation to transfer Equivalent Collateral and such Equivalent Collateral shall be transferable,
- so that performance of the respective obligations of the Parties with respect to the repayment of the TFS Advance, the transfer of Equivalent Collateral and the payment of any cash amount shall be effected only in accordance with the provisions of this clause 11.3.
- 11.4 The Bank shall establish either prior to or on the Early Repayment date, the Default Market Value of the Equivalent Collateral to be transferred in respect of the relevant TFS Advances.
- 11.5 On the basis of the sums established in accordance with clauses 11.3 and 11.4, an account shall be taken (as at the relevant Early Repayment Date) of what is due from each Party to the other in respect of:
- (a) the relevant TFS Advances including any amounts payable in respect of TFS Interest and Income or otherwise under clauses 11.11 and 14 (and on the basis that Participant's claim against the Bank in respect of the transfer to it of Equivalent Collateral equals the Default Market Value thereof); and
  - (b) the sums due from one Party shall be set off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing).
- 11.6 The balance determined by carrying out the calculations under clause 11.5 shall be due and payable on such date as the Bank shall determine and notify the Participant in writing. The Bank may specify an account into which sums are required to be paid.
- 11.7 For the purposes of the calculation carried out under clause 11.5, all sums not denominated in sterling shall be converted into sterling on the relevant date at the Spot Rate prevailing at such dates and times determined by the Bank.
- 11.8 If the balance under clause 11.5, is payable by the Bank, the Bank may, in lieu of paying such balance or part thereof, transfer to the Participant

Equivalent Collateral having a Value at least equal to the amount  $V$  where  $V = B - C$  and where:

B = the amount of such balance or the relevant part thereof

C = the settlement or other transfer costs incurred by the Bank

and such transfer shall discharge the Bank's obligation to make the payment (or the relevant part thereof) under clause 11.5.

11.9 When establishing the Default Market Value under clause 11.4, the Bank shall have regard to such of the factors set out in this clause, and such other factors, as it thinks appropriate (and the order in which the factors are listed is not significant; they are to be taken into account as appropriate in each case) and may have regard to different factors for different securities or loans:

- (a) if the Bank has sold Receivable Securities or Loans, the net proceeds of such sale after deducting all reasonable costs, commissions, fees and expenses incurred in connection with such sale;
- (b) observable market prices or such pricing sources (including trading prices) as the Bank considers appropriate;
- (c) offer or bid quotations from market makers or dealers in the market which is the most appropriate market for Receivable Securities of that description, or offer or bid quotations received as part of an auction or sale process for Receivable Securities or Loans as determined by the Bank;
- (d) other methods (which may include, without limitation, the Bank's internal modelling methodologies, such as those used by the Bank to determine the Adjusted Value) as the Bank considers appropriate;
- (e) to the extent not included in the determination of the Default Market Value, Income which has accrued but not yet been paid;
- (f) TFS Advance Costs.

11.10 For the purposes of clause 11.9:

- (a) **Receivable Securities** means Equivalent Collateral Securities to be delivered to the Participant; and
- (b) **TFS Advance Costs** in relation to any sale contemplated in clause 11.9 means the costs, commissions, fees and expenses (including any mark-up or mark-down or premium paid for guaranteed delivery) that would be incurred or reasonably anticipated in connection with the sale of Receivable Securities, calculated on the assumption that the aggregate thereof is the least that could reasonably be expected to be paid in order to make the advance.

11.11 The Participant shall be liable to the Bank for the amount of all legal and other professional expenses incurred by the Bank in connection with or as a consequence of an Event of Default, (including without limitation arranger's

fees, broker's fees and any costs incurred in valuing or servicing any securities or loans) together with interest thereon at the Overdraft Rate or such other rate as the Bank may in its discretion decide.

## **12. Cross default and set-off on Default Termination**

- 12.1 If a Default Termination occurs in relation to these Terms and Conditions, the Bank may at any time by notice to the Participant declare that a Default Termination shall occur under such Covered Agreements and on such date as may be specified in the notice (each a *Designated Agreement*). To the extent that any Designated Agreement does not include provisions to the same effect as a Default Termination or this clause 12, the terms of each Designated Agreement are hereby modified so as to incorporate the provisions set out in this clause.
- 12.2 The Bank shall determine in accordance with the provisions of the relevant Designated Agreement the Net Default Amount payable by one Party to the other under each Designated Agreement.
- 12.3 This clause 12.3 applies if the Bank so notifies the Participant (and the Bank may serve one or more notices under this clause) and following a Default Termination sums are owing among the Parties in respect of:
- (a) the Net Default Amount payable under clause 11 of these Terms and Conditions (but without prejudice to the Bank's right under clause 11.8 to deliver securities);
  - (b) the Net Default Amount payable under such Designated Agreement as the Bank may specify; and
  - (c) any other amount payable by one Party to another under or in respect of these Terms and Conditions or any Designated Agreement.

Where this clause applies, an account shall be taken of the amounts payable by one Party to the other in respect of such sums, in each case as the Bank may determine, and those sums shall be set off against each other; such calculations to be carried out by the Bank. Only the balance of the account shall be payable by the Party owing the greater of those sums and such balance shall be due and payable within two Business Days after the date on which the Bank notifies the Participant of the amount due.

## **13. Costs and expenses**

- 13.1 The Participant agrees to pay and bear its own costs and expenses incurred in connection with the preparation and execution of the Documentation and the making of each TFS Advance.
- 13.2 The Participant agrees to pay or reimburse to the Bank all of its costs and expenses (including legal expenses) together with any value added tax thereon, incurred in connection with the enforcement of any of their rights under the Documentation or any TFS Advance.

13.3 The Participant agrees on demand to pay the Bank's charges and reimburse the Bank for all fees, costs, charges, penalties and other expenses (including, without limitation, amounts incurred in connection with any third party custody arrangement or settlement or clearing system or depository arrangement with respect to any collateral, amounts incurred in connection with checking that collateral is Eligible Collateral and valuing collateral, internal costs and expenses (including staff salary costs), legal expenses, transfer taxes, value added tax, registration charges and other similar taxes and charges) incurred by the Bank in connection with the Scheme and any TFS Advance hereunder, and as may be more particularly set out in the Operating Procedures.

#### **14. Default interest and charges**

14.1 If the Participant fails to pay any amount under these Terms and Conditions when due it shall pay interest on the amount of such balance from the time of default up to the time of actual payment (as well after as before judgment) at the Overdraft Rate or at such other rate as the Bank may in its discretion decide.

14.2 If the Participant fails to make any transfer of securities to the Bank under these Terms and Conditions when due, then without prejudice to clause 10, the Participant shall:

- (a) pay a late transfer charge from the time of default up to the time of actual transfer (as well after as before judgment) determined by applying the Overdraft Rate to the Value of such securities; and
