Memorandum of Understanding (“MoU”)

Between

Monetary Authority of Singapore **and** **Financial Services Authority (“FSA”)**
(“MAS”)

Recitals

- A. MAS is the central bank of Singapore and the regulator of Singapore’s financial services established under section 3 of the Monetary Authority of Singapore Act. The Monetary Authority of Singapore is responsible for the administration of, among other Acts, the Securities and Futures Act, the Financial Advisers Act, the Banking Act and the Insurance Act, which provide for the regulation of financial services and markets in Singapore.
- B. The FSA is the United Kingdom’s national financial services and markets regulator. As such it administers the Financial Services and Markets Act 2000 (“FSMA”) which provides among other things for the supervision of financial services, financial products and financial markets. Also, in its capacity as the competent authority (i.e. the UK Listing Authority) under Part VI of FSMA, the FSA is responsible for regulating listed issuers and their corporate advisers.
- C. MAS and the FSA wish to enter into this MoU to provide a formal basis for co-operation, including for the exchange of information and investigative assistance. MAS and the FSA believe such co-operation will enable them to more effectively perform their functions.

 - “requested Authority” means the Authority of which a request is made under this MoU.
 - “requesting Authority” means the Authority making a request under this MoU.

Purpose and Principles

2. The purpose of this MoU is to establish a formal basis for co-operation, including the exchange of information and investigative assistance.
3. This MoU does not modify or supersede any laws or regulatory requirements in force in, or applying to, Singapore or the United Kingdom. This MoU sets forth a statement of intent and accordingly does not create any enforceable rights. This MoU does not affect any arrangements under other MoUs.
4. The parties acknowledge that they may only provide information under this MoU if permitted or not prevented under applicable laws, regulations and requirements.

Provision of Unsolicited Information

5. The Authorities may provide information, or arrange for information to be provided, on a voluntary basis even though no request has been made.

Requests for Assistance

6. If a request for assistance is made, each Authority will use reasonable efforts to provide assistance to the other, subject to its applicable laws, regulations and requirements and overall policy. The requested Authority may permit the representatives of the requesting Authority to participate in the conduct of enquiries

made by or on behalf of the requested Authority pursuant to paragraphs 6(e) and 6(f) hereunder. Assistance may include for example:

- a) providing information in the possession of the requested Authority;
- b) confirming or verifying information provided to it for that purpose by the requesting Authority;
- c) exchanging information on or discussing issues of mutual interest;
- d) obtaining specified information and documents from persons;

 - c) the purpose for which the information or other assistance is sought;

 - e) if the request for assistance is for the purpose of actual or possible enforcement action, the matters set out in clause 1 of Appendix 1; and
 - f) any other matters specified by the requested Authority and by the applicable laws, regulations and requirements in relation to the requested Authority.

Assessing Requests

8. Each request for assistance will be assessed on a case-by-case basis by the requested Authority to determine whether assistance can be provided under the terms of this MoU. In any case where the request cannot be fulfilled in part or whole, the requested Authority will consider whether there may be other assistance which can be given by itself or by any other authority in its jurisdiction.

9. In deciding whether and to what extent to fulfil a request, the requested Authority may take into account:
- (a) whether the request conforms with this MoU;
 - (b) whether the request involves the administration of a law, regulation or requirement which has no close parallel in the jurisdiction of the requested Authority;
 - (c) whether the provision of assistance would be so burdensome as to disrupt the proper performance of the requested Authority's functions;
 - (d) whether it would be otherwise contrary to the public interest or the essential national interest of the requested Authority's jurisdiction to give the assistance sought;
 - (e) if the request for assistance is for the purpose of actual or possible enforcement action, the further matter set out in clause 2 of Appendix 1;
 - (f) any other matters specified by the applicable laws, regulations and requirements of the requested Authority's jurisdiction (in particular those relating to confidentiality and professional secrecy, data protection and privacy, and procedural fairness); and
 - (g) whether complying with the request may otherwise be prejudicial to the performance by the requested Authority of its functions.
10. The authorities recognise that assistance may be denied in whole or in part for any of the reasons mentioned in paragraph 9 in the discretion of the requested Authority.

Further Procedures for Enforcement Matters

12. The further procedures set out in Appendix 1 will apply in relation to actual or possible enforcement matters.

Costs

13. The requested Authority may, as a condition of agreeing to give assistance under this MoU, require the requesting Authority to make a contribution to costs, if the cost of fulfilling a request is likely to be substantial.

Permissible Uses of Information

14. a) The requesting Authority shall use the information furnished solely for purposes of carrying out its functions.

- b) An Authority that receives non-public information under this MoU (the "recipient Authority") will endeavour to comply with any restrictions on the use of that information that are agreed when the information is provided. The recipient Authority will endeavour to consult with the other Authority if it proposes to onward disclose information or use it otherwise than in accordance with the agreement reached.

Confidentiality

15. Each Authority shall maintain the confidentiality of any non-public information it receives under this MoU and will only disclose that information in accordance with disclosure permitted under its applicable laws, regulations and requirements.
