Notes for Editors

On 3 March 2000, HM Treasury announced that, on behalf of HM Treasury, the Bank of England is to sell approximately 150 tonnes of gold from the Exchange Equalisation Account in a programme of six auctions of around 25 tonnes each in the financial year 2000/2001 on the terms and conditions set out in an Information Memorandum which was published on 3 March 2000. This is the fifth auction in the programme of six. Auctions have been held on Tuesday 23 May, Wednesday 12 July, Tuesday 19 September and Tuesday 7 November 2000. It is intended that the remaining auction in this programme will be held on a date to be announced in March 2001.
