

News release

14 September 2017

Monetary Policy Committee dates for 2018 and provisional dates for 2019¹

2018

All dates for 2018 are confirmed apart from November. The date of the November MPC Announcement and *Inflation Report* is dependent on the outcome of the Office for National Statistics’ consultation on “Changes to ONS Gross Domestic Product (GDP) release schedule”². If the ONS adopts the proposed alternative model for publication of GDP estimates, the November MPC Announcement and *Inflation Report* will be on 1 November. If the ONS maintains the current publication schedule, the November MPC Announcement and *Inflation Report* will be on 8 November. We will update the MPC dates on the Bank’s internet site following the outcome of the consultation, which the ONS expects to publish approximately four weeks after the close of the consultation on 14 September.
