OVERVIEW

Purpose

In this form, the types of permissions listed below are referred to as “Permissions”. References in this form to a Permission also includes any approval, consent or agreement for which the Bank has been conferred powers as FMI regulator.

An FMI or CTP should use this form if intends to apply for a Permission under section 138BA of the Financial Services and Markets Act 2000 (FSMA) as modified and applied by paragraph 10(1)(ba) or paragraph 10A(c) of Schedule 17A of FSMA. Where CTPs apply for use of a permission, it is likely that they would wish to submit parallel applications to the Prudential Regulation Authority (PRA) and Financial Conduct Authority (FCA), which share regulatory and oversight responsibility for these firms with the Bank. The Bank would coordinate with the PRA and FCA in such cases.
