## Prudential Regulation Authority

### CRR Permission 325 supplementary application form

#### Allowances for consolidated requirements (market risk)

This form must be completed by firms applying for a CRR Permission under CRR Article 325. It should be submitted alongside the CRR application form.

#### Applicant Details

Firm Name

Firm Reference Number

## Self-assessment of Art 325 conditions

The following table should be completed in order to confirm compliance with the conditions in the CRR.

Condition	Applicant firm attestation
There is satisfactory allocation of own funds within the group	
The regulatory, legal or contractual framework in which the institutions operate is such as to guarantee mutual financial support within the group	
Conditions applying where there are undertakings located in third countries	Applicant firm attestation
Such undertakings have been authorised in a third country and either satisfy the definition of a credit institution or are recognised third-country investment firms	
Such undertakings comply, on an individual basis, with own funds requirements equivalent to those laid down in this Regulation	

No regulations exist in the third countries in question which might significantly affect the transfer of funds within the group
