#### **Declaration of Firm**

In this declaration, the *firm* seeking the variation of the conditional approval previously granted in relation to the performance of a senior management function by an individual is referred to as the "Applicant". The individual in relation to whom the *FCA/PRA* (as applicable) gave the conditional approval is referred to as the "Individual".

It is a criminal offence, knowingly or recklessly, to give the *FCA/PRA* (as applicable) information that is materially false, misleading or deceptive (see sections 398 and 400 of the Financial Services and Markets Act 2000).

The Applicant will notify the FCA/PRA (as applicable) immediately if there is a material change to the information provided.

In addition to other regulatory responsibilities, firms and approved persons have a responsibility to disclose to the FCA/PRA (as applicable) matters of which it would reasonably expect to be notified. Failure to notify the FCA/PRA (as applicable) of such information may lead to the FCA/PRA (as applicable) taking disciplinary or other action against the Applicant and/or individuals.

The Applicant understands that the *FCA/PRA* (as applicable) may require it to provide further information or documents at any time.

For the purpose of complying with the data protection legislation, personal data may be used by the *FCA/PRA* (as applicable) to discharge its statutory functions and in accordance with the Data Protection Act, and otherwise will not be disclosed for other purposes without the permission of the Applicant.

The Applicant confirms that the Statement of Responsibilities submitted with this form accurately reflects the aspects of the affairs of the Applicant which it is intended that the individual will be responsible for managing.

The person submitting this Form on behalf of the Applicant confirms that he or she has authority to submit this form and, on behalf of the Applicant confirms that he or she has read and understood the notes to this Form and the declaration given by the Applicant,
