[†] The above question(s) should be completed whether submission of this form is online or in one of the other ways set out in SUP15.7.4- 15.7.9G of the *FCA Handbook* and/or in the Large Non-Solvency II Firms – Senior Insurance Managers Regime – Applications and Notifications Part of the *PRA Rulebook* as applicable

A Scope of Responsibilities should be drafted to clearly show the responsibilities that the individual is to perform as part of their *controlled function* and other relevant responsibilities and how they fit in with the *firm's* overall governance and management arrangements.

A Scope of Responsibilities should be drafted in such a way as to be practical and useable by regulators. The *FCA* and the *PRA* consider that this would be achieved by succinct, clear descriptions of each responsibility which avoid unnecessary detail. Firms have the opportunity to provide details of each responsibility allocated to an individual using the free text boxes in this form, however, the *PRA* and *FCA* would not usually expect the description of each responsibility to exceed 300 words.

A Scope of Responsibilities must be a self-contained document. There should be one document per *Senior Insurance Management Function (SIMF)* holder or *Significant Influence Function (SIF)* holder per firm. Where an individual performs a SIMF or SIF on behalf of more than one firm within a group, one Scope of Responsibilities is required for each firm. Any supplementary information may be provided in section 4 (or if submitting electronically, in a **single** attachment). A Scope of Responsibilities must not cross refer to or include other documents, attachments or links.

If the appropriate regulator considers that the Scope of Responsibilities is not sufficiently clear to be practical and usable, it could be challenged as part of a *candidate's* application for approval, or in ongoing supervision.

Details of the individual's responsibilities should be set out in sections 3.2 and 3.3, as appropriate:

- Section 3.2 covers those responsibilities required by regulators to be allocated to one or more controlled functions.
- Section 3.3 covers anything else, not otherwise included, for which an individual is to be responsible.

3.1 Effective date and relevant Controlled Functions

3.1.1 Please state the effective date of this Scope of Responsibilities (dd/mm/yyyy):

3.1.2 List all *SIMFs* and *SIFs* which the individual is to perform and the effective date the *person* commenced or will commence the performance of the functions. Please include those *FCA* functions that are included in a *PRA controlled function* under *PRA Rulebook: Large Non-Solvency II Firms: Senior Insurance Management Functions*.

Please note that for those roles asterisked above, this scope of responsibilities is considered to automatically include the existing legal and regulatory obligations for these roles. For example, certain specific responsibilities of a director are set out in company law. Such responsibilities do not need to be recorded in this statement, but any additional responsibilities should be recorded in the sections below.

3.2 PRA Prescribed Responsibilities

This section deals with those responsibilities required by PRA rules to be allocated to one or more controlled functions.

If the responsibilities that the *candidate* or a *person* performing SIMFs or SIFs is to carry out as described in the scope of responsibilities go beyond those set out in this section, those additional responsibilities should not reduce or alter the scope of the prescribed requirements set out in this section.

3.2.1 Please indicate below which of the responsibilities listed are/will be allocated to this individual. Where responsibilities are shared (for example, a responsibility may be shared as part of a job share or where departing and incoming controlled functions work together temporarily as part of a handover), please provide details.

If the individual has not been allocated a prescribed responsibility in this list, please go to section 3.3.

The *candidate* agrees that the *FCA* and/or *PRA* may use the address specified for the *candidate* in this Form as the proper address for service in the United Kingdom as defined in Financial Services and Markets Act 2000 (Service of Notice) Regulations (SI 2001/1420) to serve any notices on the *candidate*.

† The above question(s) should be completed whether submission of this form is online or in one of the other ways set out in SUP15.7.4- 15.7.9G of the *FCA Handbook* and/or Senior Insurance Managers Regime – Applications and Notifications of the *PRA Rulebook* as applicable

A Scope of Responsibilities should be drafted to clearly show the responsibilities that the individual is to perform as part of their *controlled function* and other relevant responsibilities and how they fit in with the *firm's* overall governance and management arrangements.

A Scope of Responsibilities should be drafted in such a way as to be practical and useable by regulators. The *FCA* and the *PRA* consider that this would be achieved by succinct, clear descriptions of each responsibility which avoid unnecessary detail. Firms have the opportunity to provide details of each responsibility allocated to an individual using the free text boxes in this form, however, the *PRA* and *FCA* would not usually expect the description of each responsibility to exceed 300 words.

A Scope of Responsibilities must be a self-contained document. There should be one document per *Senior Insurance Management Function (SIMF)* holder or *Significant Influence Function (SIF)* holder per firm. Where an individual performs a senior insurance manager or significant influence function on behalf of more than one firm within a group, one Scope of Responsibilities is required for each firm. Any supplementary information may be provided in section 4 (or if submitting electronically, in a **single** attachment). A Scope of Responsibilities must not cross-refer to or include other documents, attachments or links.

If the appropriate regulator considers that the Scope of Responsibilities is not sufficiently clear to be practical and useable, it could be challenged as part of a candidate's application for approval, or in ongoing supervision.

Details of the individual's responsibilities should be set out in sections 3.2 and 3.3, as appropriate:

- Section 3.2 covers those responsibilities required by regulators to be allocated to one or more controlled functions.
- Section 3.3 covers anything else, not otherwise included, for which an individual is to be responsible.

Please include those *FCA* functions that are included in a *PRA controlled function* under *PRA Rulebook*: Solvency II firms: Insurance- Senior Insurance Management Functions Chapter 2.
