## Overview of applicable Branch Guidelines

This mapping table sets out the Branch Guidelines which the PRA considered when proposing the reforms in Chapter 6 – Third-country branches and Chapter 7 – Reporting and disclosure of CP12/23. Where a row entry sets out a mapping location, the PRA considered the guideline and decided to set out provisions as requirements in PRA rules or policy. Where entries do not include a mapping location, the PRA considered the guideline and did not propose to include it in PRA rules or policy. The mapping table is based on the near-final rules and policy material published alongside PS2/24 – Review of Solvency II: Adapting to the UK insurance market and PS3/24 – Review of Solvency II: Reporting and disclosure (Phase 2) on 28 and 29 February 2024, respectively.
