

## APPENDIX TO PS16/26: OPRR CORRESPONDING CRR RULES

This document sets out, for the purpose of section 5(4) of the Financial Services Act 2021 (as amended), whether and, if so, how *CRR rules* correspond to a provision of *CRR* or a *CRR* level 2 regulation immediately before it was revoked by the *Treasury*.

This document updates previous documents published by the *PRA* (which set out whether and, if so, how *CRR rules* correspond to a revoked *CRR* provision) in relation to the *CRR* articles referred to in Column A of the table below. Italicised terms have the meaning in the Glossary to the PRA Rulebook. Struck through text is deleted and underlined text is new.

| Revocation (A)                                                                                                | Corresponding <i>CRR rule</i> (B)                                                                                               |
|---------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Article 116                                                                                                   | Article 116 of the Credit Risk: Standardised Approach (CRR) Part corresponds to Article 116(1) to (3) <u>and (5)</u> of the CRR |
| <del>Article 391 first paragraph (definition of an institution for large exposures purposes) of the CRR</del> | <del>Rule 1.3 of Chapter 1 of the Large Exposures (CRR) Part</del>                                                              |
