Instructions regarding reporting templates

IR.03.03 — Off-balance sheet items — unlimited guarantees provided

General comments

This section relates to annual submission of information for individual entities and groups.

As regards the Solvency II value, the instructions define the items from a recognition perspective. Valuation principles are laid down in the Valuation Part.

Unlimited guarantees refer to guarantees with unlimited amount, regardless of the date being limited or unlimited.

The guarantees listed in this template are not reported in IR.03.01.

At group level, the template is applicable for all entities within the scope of group supervision — including other financial sectors and non-controlled participations — for method 1 (Accounting consolidation-based method), method 2 (Deduction and aggregation method) and a combination of methods 1 and 2.

Internal guarantees within the scope of group supervision are not reported in this template but reported in the relevant Intra-group transactions (IR.36) template.
