Instructions regarding reporting templates

IR.05.03 – Life income and expenditure

General comments

This section relates to quarterly and annual submission of information for individual entities, groups, third country branches, ring-fenced funds, and remaining part. In this template figures for the remaining part incorporate any embedded matching adjustment portfolios.

Items in this template are to be reported using financial accounting conventions, unless these instructions state that an item is to be reported on a Solvency II basis.

For items reported using financial accounting conventions:

1. In the event of any inconsistency or contradiction between the instructions in this document and the accounting standard reported at {basic information – general IR.01.02, row R0120, firms are to follow the instructions in this document.
2. Subject to following the instructions in this document, firms shall follow:
 - a. the recognition and valuation basis as for the published financial statements, no new recognition or re-valuation is required, and
 - b. the accounting standard reported at {basic information – general IR.01.02, row R0120 to the extent practical.

The template is based on a year-to-date basis.

Insurance and reinsurance firms shall report written premiums as defined in the Glossary regardless of the accounting standard used. Other rows should be reported in a way that avoids inconsistency with the reporting of written premiums. This template shall include all insurance business regardless of the possible different classification between investment contracts and insurance contracts applicable in the financial statements.

Claims incurred shall comprise all claim payments paid in the reporting period plus change in provision for claims outstanding.

For quarterly reporting by individual entities, quarterly reporting by groups and annual reporting by groups only rows R0010 – R0050, R0110-R0200, R0300 and R0440 should be completed.

Items R0060 and R0070 are only required for C0020 and C0070. R0080-R0090, R0280-R0440 are only required for the total business (C0070).
