Instructions regarding reporting templates

IR.30.04 — Non-life outwards reinsurance contract reinsurer exposures

General comments

This section relates to annual submission of information for individual firms and third country branch undertakings.

This template is relevant to insurance and reinsurance undertakings with non-life outwards treaty or facultative reinsurance and/or retrocession contracts of protection reported in IR.30.03.

This form is intended to support form IR.30.03, by collecting the accompanying breakdown of reinsurer participation, and associated information for each combination of 'Reinsurance program code' and 'Reinsurance contract identification code' reported by the undertaking in IR.30.03. This applies to all the reinsurance contracts reported by the undertaking in IR.30.03. As such the general comments and detailed instructions of IR.30.03 should be considered when completing this form.

As per the instructions detailed in IR.30.03 this should include reinsurance contracts of protections where the reinsurer(s) are:

- External / third party entities
- Internal, Intra-group, related or associated party entities
- Lloyd's syndicates
- Special Purpose Vehicles
- Captives
- State reinsurers or pools, e.g. Pool Re, TRIA, GAREAT, ARPC, Flood Re

If an SPV or a Lloyd's syndicate acts as a reinsurer each individual SPV and/or syndicate must be reported.

This template should be completed in conjunction with templates IR.30.03 and IR.30.05.

All monetary amounts reported should be positive values, other than where the instructions state that '-1' is to be used to indicated that the value is unlimited.
