Instructions regarding reporting templates

IR.31.01 — Outwards reinsurance balance sheet exposures

General comments

This section relates to annual submission of information for individual firms, third country branch undertakings and groups.

This template shall be filled by the insurance and reinsurance undertakings where life and/or non-life outwards reinsurance recoverables, and/or receivables or reinsurance premium ceded have been recognised in any of the annual reporting templates it has submitted to report balance sheet assets, technical provisions and/or premium income information. The undertaking is required to provide a breakdown of these and other associated values by reinsurer entity. This should include recoverables and receivables associated with reinsurance contracts that have expired or have been terminated but where legal liabilities and obligations remain.

This form should include reinsurance recoverables and/or receivables from all forms of reinsurance contracts where such have been included in the formulation of the annual reporting templates relating to balance sheet assets and technical provisions.

This should include, but is not limited to, reinsurance recoverables, receivables and payables from or to the following reinsurers:

- External / third party entities
- Internal, Intra-group, related or associated party entities
- Lloyd's syndicates
- Special Purpose Vehicles
- Captives
- State reinsurers or pools, e.g. Pool Re, TRIA, GAREAT, ARPC, Flood Re

If an SPV or a Lloyd's syndicate acts as a reinsurer each individual SPV and/or syndicate must be reported.
