(a) In December, calendar quarters replaced 'banking' quarters and a maturity analysis of stock transactions was added.

(b) In December, "Analysis of Government Borrowing by Source" and "Holdings of Marketable Government Debt" replaced "Holdings of Government Debt and of Bank of England Notes"—the new tables are based on calendar quarters.

(c) Added in December.

(d) From December based on calendar quarters.

(e) Various changes were made in June, see page 163.

(f) Added in March.

(g) A new industrial share index was added in March.

(h) Gold and convertible currencies have been shown separately since June.

(i) In September, "United Kingdom External Liabilities and Claims in Sterling" replaced "Overseas Sterling Holdings by Area and Class of Holder".
