CHICAGO, ILL. 60637

Bank of England liabilities and assets: 1696 to 1966

Table A gives the consistent series of annual figures of the Bank's liabilities and assets from 1696 to 1966, which was described in the June 1967 *Bulletin*. The dates in each year to which the figures relate are:

1696-1697 14th March 1696¹ and 25th June 1697, the only balance sheets available

1698-1764 End-August balance sheet

1766-1844² End-February balance sheet

1845-1857 Published Bank Returns: last Saturday in February

1858-1966 Published Bank Returns: last Wednesday in February

Table B gives Bankers' balances at Head Office at the following dates:

April 1819 to January 1828, at the beginning of January, April, July and October

8th April 1828 to 29th March 1842, on each Tuesday

2nd April 1842 to 31st October 1857, on each Saturday, and from 4th November 1857 to 28th December 1966, on each Wednesday³

Table C gives Bankers' balances at the Branches, excluding the Law Courts and Western Branches,⁴ from 1st June 1910 to 28th December 1966, on each Wednesday.

¹ Until 1752 the calendar year began on 25th March. The first balance sheet in the Bank's ledgers is headed 14th March 1695 but by modern reckoning this is 14th March 1696 *i.e.* some nineteen months after the Bank first opened for business on 1st August 1694.

² No balance sheets are available for 1765 and 1774.

³ The weekly Bank Return was first published on 7th September 1844; from that date the figures are taken from the book used in reporting weekly to the Court of Directors from 1844 to 1961, mentioned in Sir John Clapham's *The Bank of England: A History*, Volume II, Appendix E (Cambridge, 1944).

⁴ The Western Branch was closed on 9th August 1930; see the article "Branches of the Bank of England" in the December 1963 *Bulletin*.
