

## Panel of academic consultants

A panel of academic consultants was established in 1977 to discuss particular economic issues and has met approximately four times a year since then.[1] A list of topics covered in past meetings and of authors of principal papers is shown below:

	Topics covered	Authors of principal papers
<b>1977</b>		
5 October	Monetary targets	
<b>1978</b>		
6 January	The nature of the recession and the prospects of recovery	G. D. N. Worswick
14 April	Inter-sector flow of funds and the rate of interest	Prof. M. H. Miller
14 July	The economics of overseas investment	Sir Alexander Cairncross
13 October	The causes and effects of low profits	Prof. R. J. Ball
<b>1979</b>		
26 January	Cost-price inter-relationships	R. N. Brown C. A. Enoch P. D. Mortimer-Lee
27 April	The monetary approach to the balance of payments	Prof. D. E. W. Laidler

The subjects discussed at future meetings will be briefly described in subsequent issues of the *Bulletin*. Copies of future papers will be available from the Bank's Economic Intelligence Department at the address shown on the reverse of the contents page.

[1] The formation and nature of the panel were more fully described in the Bank's 1978 *Report and accounts*, page 24.
