Notes: Grocery market shares are from Kantar for 12 weeks ending 14.05.23. Sales and profit definitions and figures are from company annual reports. Missing values occur when there has been a change in reporting or precise definitions reported. Tesco 2019 figure has 53 weeks instead of 52. UK & ROI refers to sales and profits in the UK and Republic of Ireland segment. UK & ROI Revenue is from Note 2. ASDA 2022 figures are from their press release. Aldi and Lidl company accounts for 2022 were not available to us, but their Kantar market shares were 10.1% and 7.7% respectively.
