**Technical notes**

- 1 A more detailed breakdown of these data (by instrument, economic sector and industry) is available in Table E3.1 in Bankstats (www.bankofengland.co.uk/statistics/Pages/bankstats/default.aspx). The Statistical Interactive Database, IADB, (www.bankofengland.co.uk/boeapps/iadb/newintermed.asp) provides long runs of statistical data with comprehensive search options and the ability to download in a variety of formats. The series codes are listed within Table E3.1.
- 2 The sectoral split of capital issuance by UK residents includes an 'other' sector which comprises local government and not for profit institutions serving household (NPISH).
- 3 When banks issue or buy back shares, this is generally done through a holding company which, for statistical purposes is classified as an Other Financial Corporation (OFC).
- 4 For further information on the compilation of the Bank's capital issuance series please refer to the explanatory notes (www.bankofengland.co.uk/statistics/Pages/iadb/notesiadb/capital_issues.aspx).
